Fire Hoses Turned On Segregation Mob In Little Rock

Throng Charges High School Slated To Admit Negro Boy

LITTLE ROCK, Ark. (UPI)—Firemen turned high-pressure hoses on a throng of angry segregationist demonstrators at Central High School today and police bloodied the heads of two men trying to break through their lines.

Police cracked another man across the ribs with a nightstick. About 1,000 demonstrators marched on Central High School two hours before a lone Negro was scheduled to enter it.

Earlier, three Negro girls entered Hall High School, in the wealthiest area of the city, without a hand being raised against them. The situation there was so quiet that Police Chief Gene Smith ordered away all patrolmen before school closed for the day at noon. But the scene at Central was reminiscent of the bloody battle in 1957 when President Eisenhower ordered in 1,000 paratroopers to keep the peace and protect nine Negroes who entered the school.

LAST RESORT

Smith ordered hoses turned on the demonstrators at Central High as a last resort. Part of the crowd fell back but a few stood up to the stinging streams of water.

Police arrested eight persons at Central, including four women, three men and a teen-aged boy. The boy and a middle-aged man were bleeding from wounds on their heads.

Another man said he had been cracked across the ribs with a nightstick.

WAVE U. S. FLAG

Two boys with a U. S. flag stood up to the streams of water from fire hoses. The flag began to waver and another teen-ager rushed up to help hold it.

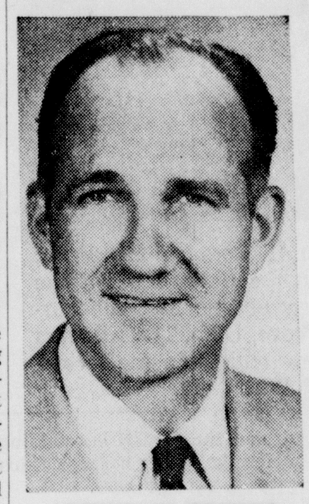
Police used their nightsticks when the demonstrators, who had marched from the state capitol, where they heard a speech by Gov. Orval E. Faubus, tried to break through a human barricade around Central. Faubus had urged them to avoid trouble.

"This looks bad," a police captain said. "Right now, they don't have a leader. It looks like that's what they're waiting for."

Firemen dropped their hoses in the street, but left them running so they can pick them up immediately and turn them on the crowd.

Hub Council Junks Job Of Manager

3-1 Vote Ends Setup; New Position Planned



ARTHUR W. BREWER
Will travel

The San Anselmo City Council, by 3-to-1 vote, last night pulled the job from under City Manager Arthur W. Brewer, effective Nov. 1.

The dissenting vote was cast by Councilman Carleton G. Little. Councilman William Franchini was absent, on vacation.

Councilman Carmel H. Booth moved repeal of the city manager ordinance. Her motion was seconded by Councilman Jordan L. Martinelli Jr. Mayor Arthur W. Smith joined them in voting "yes."

City Atty. John G. Buresh, on the council's instructions, immediately prepared a repealer ordinance, which was introduced. It will come up for final passage at the council's Sept. 8 meeting.

The temper of the meeting was set by Mayor Smith at its outset.

HAS STATEMENT

"Before we start with the agenda," he said, "I have a statement I would like to make."

He then read a prepared statement referring to a recent attack on him by Councilmen Little and Franchini, which was published in the Green Guide, a weekly throwaway paper in the Hub City.

"This statement was shocking to me and my family," read the mayor, "not only for what it said but because the men who made it did not have the fortitude to make the same statement to me in public meeting of the city council."

DEFENDS SELF

The mayor went on to defend the manner in which he has conducted himself in 16 years on the city council.

He referred to an accusation in the Little-Franchini statement that he was guilty of "double talk."

"In my dictionary," he declared, "double-talk is defined as saying one thing while meaning or doing another; deceit . . . I demand that Mr. Franchini and Mr. Little individually, by publication in the same paper in which these charges were made, retract this accusation . . . Should they not, I will take such action, if any, as I deem advisable . . .

"I want to conduct the city business in the city hall and not in the newspapers."

Applause from the throng that filled the council chamber followed his reading.

Mrs. Booth endorsed the mayor's statement.

"But public retractions and apologies carry very little weight," commented Mrs. Booth.

"Is there any comment you

Morals Suspect Seized After Speedy Chase

A 38-year-old San Lorenzo man yesterday was arrested for perversion involving a 5-year-old girl after he was chased by police and a San Geronimo rancher at speeds up to 95 miles an hour.

Walter Harlow Morine, who gave his occupation as coil winder, was booked at the county jail shortly before 4 p.m. on charges of perversion and possession of a weapon.

HOW IT HAPPENED

According to information from the sheriff's office and from the San Rafael and San Anselmo police departments, this is how Morine was apprehended:

Ralph Roy of San Geronimo observed a strange car drive onto his property and inspected it through binoculars. He saw a girl at the car, and became suspicious.

As the car sped away, leaving the child behind, he followed it east on Sir Francis Drake boulevard. He overtook the fleeing car in San Anselmo.

REPORT OF FIGHT

The driver, later identified as Morine, slipped away but not before a report reached the San Anselmo Police Department that two men were fighting. San Anselmo Officer Chester Orr went to the scene and Roy told him a man, sus-

State Help Sought For Youth Camp

A first step was taken yesterday to set up a forestry work camp in Marin County for delinquent boys.

The Marin County Board of Supervisors passed a resolution to apply to the state for construction funds in the state's 1960-61 budget.

The site of the camp is undecided but it probably will be on watershed lands of the Marin Municipal Water District. A three-acre site at the lower end of Kent Lake was not acceptable to directors of the water district, but they have said they would be willing to work with the county to locate an alternate site.

The work camp for 14 to 17-year-old boys was described by Superior Court Judge Jordan L. Martinelli as needed for "many youths who need removal from their environment but not confinement."

Judge Martinelli said lack of alternatives often forces a judge to commit a youth to a California Youth Authority institution when it may be "the last thing a judge wants to do."

His views were seconded by Superior Court Judge Thomas F. Keating, who is now serving as juvenile court judge.

"We don't have anything for intermediate type placement," Judge Keating said. "Also it would take the pressure off juvenile hall."

Mrs. George Alpers of San Rafael and Roy Ibach of Mill Valley also urged setting up the work camp.

Construction cost of a 20-boy camp was estimated at $120,000. The application to the state is for 50 per cent of this, or $60,000. Operation of the camp also would be partially paid by the state.

The county hopes to have the camp completed to start operation in the summer of 1961.

Marin All-Star Team Wins Initial Game

I-J Special Report

By RAY SCHWARTZ
Sports Editor, Provo Daily Herald

PROVO, Utah—Victorious in the opening round of play in the Region 8 Pony League tourney, North Marin's All-Stars will battle La Mesa today at 6 p.m. in the second round.

Manager Joe Tucker's charges choked off a seventh-inning rally by Price, Utah, to edge out the kids from Utah's coal fields in a thrilling finish. La Mesa turned back Richland, Wash., 2-1 in the tourney opener.

OTHER GAMES

In other games yesterday Long Beach edged Hawaii, 7-6, and San Bernardino whipped Provo, 7-0.

Long Beach will meet San Bernardino in tonight's other game in the losers' bracket. Richland met Price and Hawaii played Provo in games this afternoon.

Tucker was still undecided about his starting pitcher for today's game with La Mesa, the tourney's defending champion, but he is expected to choose from three hurlers.

THREE HURLERS

The three include Larry Hale, Steve Barrett and Jerry Daniele. Hale, a strong-armed right-hander, pitched two-thirds of an inning in relief yesterday and preserved the Californians' lead over the Utahns, who threatened to come from behind in the seventh inning.

Man Says He Stole $10,000 In Drugs

A convicted burglar's story that he stole more than $10,000 worth of narcotics at a local hospital to satisfy his craving is being examined today by the Marin County sheriff's office.

Sheriff's Inspector Richard Argento said the claim was made by Robert Herbert Wood, 24, on parole from Soledad Prison after conviction of burglary in San Diego.

Wood walked into the sheriff's office yesterday, dressed in the white uniform of an attendant at Ross General Hospital, and gave himself up. He was jailed as a narcotics user and parole violator.

Argento said Wood claims to have taken daily doses of Demerol—which Argento said is a narcotic—during his duties at the hospital over the past four months.

Agento said that Wood has taken as much narcotics as he claims, it would be worth more than $10,000, and more than an entire year's supply at the hospital.

The inspector said the hospital asserted it was not possible that Wood took the narcotics, because a careful check is kept of the supply.

Wood also told Argento that he took several tablets of morphine for which he exchanged tablets of a similar appearance.

Argento said he is convinced Wood is lying, and that he must have obtained his supplies elsewhere. Wood has a number of needle marks, and claims to have given himself "shots" in the left arm and left hip.

Wood told Argento that he would watch the nurses, and that as soon as they put down a partially empty ampule of the narcotic, he would conceal it long enough to give himself a "shot." He said he also took full ampules from cabinets, and that after using these, and the partially filled ones, he would refill them with distilled water.

He said he found keys to the cabinets four days after he went to work there, four months ago.

Argento said he planned to take Wood to the hospital this afternoon and confront him with hospital officials in an effort to seek further information.

"I hope that he will reveal his sources of the narcotics," Argento said.

Famed Ferry In Last Trip To Sausalito

The pilings of the Sausalito ferry slip creaked slightly from the gentle nudge of the broad, padded bow.

A bewhiskered old-timer on the dock sighed nostalgically and said, "Just like old times."

Thus, at 9:30 a.m. today, the 279-foot-long, 60-foot-wide ferry boat Berkeley put into Sausalito. She'll make no return trip across the bay.

Aboard were her new master, Luther W. (Bill) Conover,

Housing Bill Veto Upheld By Senate

WASHINGTON (AP)—The Senate today sustained President Eisenhower's veto of the $1,375,000,000 housing bill.

The vote was 55-40 to override but that fell nine votes short of the required two-thirds.

The victory kept unblemished Eisenhower's record of never having had a bill passed over his veto.

The vote did not mean the death of housing legislation this session, however. Democrats arranged in advance of the roll call for a meeting of the Banking Committee on Thursday next week to draft a substitute bill.

The vote to uphold the veto had been assured in advance.

Exam By S. F. Doctor Confirms Shot As Cause Of Woman's Death

Further examination of the body of Mrs. Bertie Rogers of San Gabriel has confirmed the original coroner's office finding that her death was caused by a shot from the back of the head, Coroner Frank J. Keaton said today.

He said Dr. Henry Moon of San Francisco, asked to conduct a second examination, confirmed the original finding of Dr. Warren Bostick of the coroner's office. Dr. John Manwaring, present as observer, concurred in this finding.

The coroner's office said Dr. Jesse Carr of San Francisco was scheduled to make an examination today on behalf of defense counsel for Robert Burdette Rogers, husband of the dead woman who is charged with her murder.

Police Chief Charles J. Chiesa said he and Inspector Nick Giampoli plan to visit the dead woman's mother, Mrs. Blanche (Blondie) Devericks, tomorrow at San Joaquin General Hospital in Stockton. She is being treated for injuries suffered in an automobile accident last month.

Giampoli and Deputy Dist. Atty. Roger Garety returned to San Rafael last night after questioning Mrs. Rogers' daughter, Barbara, 17 in Arcadia. The three children are staying with Mr. and Mrs. Robert J. Johnston. Mrs. Johnston is the sister of Rogers.

Mrs. Rogers' body was found Sunday night in her mother's home at 9 Greenwood avenue, San Rafael.

Roger was arraigned yesterday before Judge Harold J. Haley in Municipal Court and pleaded innocent to a charge of murder. Rogers is scheduled to appear in court at 1:30 p.m. tomorrow when a date will be set for a preliminary hearing. He is being held in Marin County Jail without bail.

Giampoli said the Rogers' daughter Barbara told him and Garety that she and her father and two brothers slept overnight in San Rafael, and that

Teamsters Ignore Ban On Picketing

SAN FRANCISCO (AP)—Striking teamsters ignored a court order and maintained their street-corner picket lines today.

Mayor George Christopher offered to act as mediator in the contract wage dispute "if it is desired by both sides."

A court order limited picketing to transport company terminals.

But pickets set up signs bearing the words "Picket Line" in such areas as lower Harrison, Bryant and Folsom streets.

They stopped truckers and told them to go to strike headquarters "to get new clearance permits."

An emergency meeting was called by employers to discuss counter-action.

A spokesman for the employers said there was no improvement in the crippling tieup.

The walkout was in its sixth day.

Truck owners won a superior court injunction late yesterday banning mass picketing.

The walkout of 3,500 San Francisco teamsters and 2,500 others in San Mateo County was against member firms of the California Trucking Assn. and the Draymen's Assn. Many other trucking outfits also were affected.

Most perishables and emergency items moved in and out of the city undisturbed but such luxury items as tobacco and liquor stopped dead.

Work Hour Issue Left To Union Locals

SAN DIEGO (AP) — The state Federation of Labor believes that each union within the organization should decide for itself the number of work hours in a day and week.

A resolution that the federation seek a seven-hour day and a four-day week was rejected by delegates at the organization's annual convention yesterday.

DECIDE FOR SELF

The federation's resolution committee recommended rejection of the proposal, saying each union should decide for itself what should be the best work times for its field.

The resolution would have urged unions to demand the four-day week and seven-hour day in future contracts.

The delegates adopted a resolution urging the Legislature to take action in its special 1960 session to repeal the "responsible relatives law."

LAW REQUIREMENT

That law requires that Californians contribute part of their earnings to relatives who are receiving old age pensions and that confidential information be disclosed, the resolution said.

A policy statement adopted by the federation urged the federal government to take steps to assure full employment.

The statement criticized the Eisenhower administration as opposing labor's efforts to bargain and called for a federal program to provide for full employment.

Brown Lashes Out At Nixon

SAN DIEGO (UPI)—Gov. Edmund G. Brown today accused Vice President Richard Nixon of "double dealing" on labor and asked:

"Just what kind of hypocritical stunt man is he?"

The governor made the charge in a speech prepared for delivery to 2,000 delegates attending the California Labor Federation convention.

Brown was discussing failure of an administration-backed labor measure, SB 209, to pass in the recent session of the legislature.

"I think it highly significant that 31 of the 33 Republicans in the Assembly voted to kill SB 209," the chief executive said. "I submit to you that the Republicans want no solution to this problem.

"In fact, at a moment of national debate on this issue . . . Vice President Nixon intervened through his personal representative against a fair and effective labor standards bill in his home state . . ."

Delaware was settled by Henry Hudson explored the Swedes, Finns and Dutch area in 1609.

Mitchell Joins Ike In Stand On Labor Bill

WASHINGTON (UPI) — Labor Secretary James P. Mitchell today joined President Eisenhower in backing a labor reform bill supported by business groups and conservatives in the House.

Mitchell disclosed his views in a letter to Rep. George M. Wallhouser (R-N.J.) just before the House started its final round of general debate on reform legislation.

There was a chance the House could reach its first test of voting strength in the heated battle before nightfall.

The main fight is between the Eisenhower-endorsed Landrum-Griffin bill and a measure drafted by the House Labor Committee, which is supported by Speaker Sam Rayburn. The outcome was in doubt, with both sides agreeing it would be settled by an extremely close vote.

STOCKS TODAY

NEW YORK (AP)—The stock market ran into a wave of profit-taking in the last hour of trading today which sharply pared earlier gains and sent some issues into lower ground.

Volume for the day was estimated at 2,500,000 shares compared with 2,980,000 yesterday.

Leading stocks rose from fractions to about a point. Electronics and other wide movers added as much as three points or so.

Texas Instruments and Litton Industries gained about three points. Reynolds Metals was up more than three.

Gains of about a point were made by American Tobacco, Motorola, U.S. Borax, General Motors, Eastman Kodak and U.S. Gypsum.

U.S. Steel eased in a steel section that showed little change. Ford and Chrysler were ahead moderately.

Herter Urges Peace For Caribbean

SANTIAGO, Chile (AP)—U. S. Secretary of State Christian A. Herter told the American republic today that a solution of troubles in the Caribbean lies in "peace and freedom and progress."

He spoke at the opening session of the 21 ministers of the Organization of American States who had been summoned to deal with the invasions and rumors of invasions in the Caribbean.

Speaking in behalf of the ministers who had been welcomed by Chilean President Jorge Alessandri, Herter said he thought the issues here were more capable of early solution than those dealt with at the Big Four foreign ministers conference in Geneva.

Herter recently returned from Geneva.

Many of the delegates here were seeking to organize a drive to enforce human rights in the Western Hemisphere.

Troubled Jet Escorted By HAFB Plane

An SA16 Albatross from Hamilton Air Force Base escorted an F100 Sabrejet hundreds of miles back across the Pacific yesterday after the jet plane lost its plexiglass pilot compartment canopy while en route to Hawaii.

The 41st Air Rescue Squadron Albatross was only 15 miles from the jet when it received a radio call for assistance, reported the pilot, Capt. Harry H. Cole of Novato. He intercepted the troubled aircraft at 2 p.m. and escorted it back to the mainland, where it landed safely at Mather Air Force Base near Sacramento.

The 4th Air Force Rescue Coordination Center at Hamilton refused to identify the pilot of the jet or say where it was based.

starting pitcher went the first four and third innings and retired 12 of the 13 Price batters to face him on strikes. For his outstanding pitching effort, Matlock was voted the game's top performer.

However, when Matlock gave up two straight hits in the top of the seventh, Tucker replaced him on the mound with Pete Belew. Price used two hurlers —starter Kent Jensen and Bob Porter.

North Marin had two big innings—a four-run second and two-run sixth. The Californians' four runs in the second came on consecutive singles by Jerry Daniele, Paul Meuse, Roger Sorensen and Hale, a wild pitch and a Price error.

Their two runs in the sixth came on singles by Bob Overmyer and Dick Schultz, Hale's double, and a couple of wild pitches. A coupe of errors gave Price one run in the first inning and the Utahns came back with two more in the third on hits by Jensen, Vouros and Barnett and a walk by Matlock.

The losers' two runs in the seventh came on two walks, a wild pitch and Barnett's single. Price had the winning run on base with one out, when Hale relieved Belew. He struck out Don Salzetti and got Larson to ground out to end the threat.

North Marin collected a total of 11 hits, with Overmyer, Sorensen and Hale getting two hits each. Hale got his team's only extra base hit—a double.

Price's Bob Tanaguchi was named the game's outstanding defensive player because of his play at second base.

INJURED PILOT CRAWLED OUT

This F104 Starfighter failed to take off the ground and crashed through a barrier cable at Hamilton Air Force Base at 2:31 p.m. yesterday. After breaking the cable, it skidded 1,200 feet before stopping in the marshland south of the runway. The pilot, Lt. James B. Dunn, 27, of 1172 Ranson drive, Novato, was reported in good condition today at Hamilton Air Force Base, although he suffered a spinal fracture. Dunn crawled from the wreckage to await rescue by a 41st Air Rescue Squadron helicopter piloted by Capt. Charles E. Hanrich of 66 Reposa Vista, Novato. (Air Force photo)

Woman Says Dr. Willis Suspected Police Plant

An unmarried woman patient of Dr. Jack E. Willis of Mill Valley testified in Marin Superior Court today that on the occasion of an abortion in 1957 he "asked me if I had a microphone in my purse."

"He explained that he thought I might have been planted as an agent of the police," the witness said. Soon afterward she made a trip to Europe during which she sent eight post cards to Dr. and Mrs. Willis, assuring them that she was "feeling fine," she added.

Mrs. Willis, a co-defendant with her husband in an abortion trial, administered an anaesthetic during the operation, which took about 20 minutes in the Mill Valley office, the witness said.

Like previous witnesses, this one said she paid $350 in cash for her operation. No charge was made for a subequent check-up, she said.

Though the witness, in her early 40s, testified with composure the jury was excused for a discussion among opposing counsel and Judge Thomas F. Keating because Dist. Atty. William O. Weissich objected to questions by defense attorney Leslie Gillen concerning the witness' experience with miscarriages as early as 1954.

"We're not here to cast stones," said Weissich, but Gillen insisted that his line of questioning had pertinence for medical reasons.

Judge Keating overruled the objection.

This morning's witness was the fourth woman to take the stand to testify to alleged abortions by Dr. Willis. Each witness has been questioned at length by Gillen as to prosecution promises of immunity for testifying.

CHASE

pected of molesting a child, had gotten away.

Orr got the car's license number and through the county communications center San Rafael police picked up Morine's trail and took him into custody, after a high-speed chase, near the toll plaza of the Richmond-San Rafael bridge. Police said there was a four-inch fish skinning knife on the front seat of his car.

Questioned by officers, he said he put the girl in his car because he thought she was lost, and was going to take her to her home.

He was released from jail under $2,500 bail, and was scheduled to appear this afternoon in Marin Municipal Court for arraignment.

S.F. Businessman Richard Gump Sued For Divorce

Richard Gump, president of the San Francisco home furnishing store of the same name and a popular lecturer, today was sued for divorce by his wife, Agnes.

She charged the 53-year-old executive with cruelty, and in a separate action asked for more than $1,000 a month alimony.

Mrs. Gump, who lives at 65 Cloudview road, Sausalito, said in the suit, filed in Marin Superior Court, that she believes her husband is worth one million dollars.

The complaint says the Gumps were married in 1945 in Carson City, Nev., and were separated last May 28. There are no children.

Superior Court Judge N. Charles Brusatori signed an order requiring Gump to appear in court Aug. 24 and tell why he should not pay alimony and attorney's fees.

San Rafael Cow Holstein Champ

The senior grand champion Holstein cow pictured in Monday's Independent-Journal was shown at the Sonoma-Marin Fair by George Nunes of Lucas Valley road, San Rafael.

The winning cow was not shown by a Petaluma boy, as erroneously reported in Monday's paper on the basis of information supplied by the fair management.

It's A Daughter For I-J Printer

Independent-Journal staff members were smoking cigars tagged "It's a Girl," today after announcement of an addition to the family of Gary Anderson, I-J printer.

Gary's wife, Marie, gave birth to a nine and one-half pound girl Sunday afternoon at Marin General Hospital.

The new arrival, Jean, and her mother and father are reported doing well at their home in Forest Knolls.

To Get Resuscitator

Members of the Sausalito Lions Club have voted to donate a new type, lightweight resuscitator to the Sausalito Fire Department, according to club president Martin M. Brownstein.

BED SMOKING HABIT BLAMED IN HOUSE FIRE

Sol Tyroler of 100 Circle drive, Los Ranchitos, had talked with his wife several times about smoking in bed, he told Marin County Fire Department officials yesterday.

In mid-afternoon yesterday she was smoking in the bedroom of their expensive eight-room house, and went to sleep, Tyroler reported. The cigarette apparently dropped to the bed.

The resulting fire did damage to the home estimated by the fire department to total $8,500.

One bedroom and a utility room were gutted, with water and smoke damage to bedroom and bath. Furniture was destroyed and all the garments in the vicinity are ruined. This came to house damage of around $6,500 and damage to contents estimated at $2,000.

SLAYING

she saw her mother at breakfast Friday morning.

She said she and the other children went to Gerstle Park to play, and that at 11 a.m. their father drove by the park, picked them up and drove to the home of his brother, Harvey Rogers in Pasadena. There, Giampoli said she told them, she was told by the brother's wife that something had happened to their mother.

Giampoli said the children learned Monday that their mother was dead, but he does not know who told them.

The officers learned that a .30-.30 rifle, believed to be the murder weapon, was in the custody of William W. Harper of Pasadena, a private criminologist. They said the rifle, given Harper by Charles Hollopeter, Rogers' attorney, was supposed to be turned over to Pasadena police today and sent to San Rafael.

Giampoli said he and Garety also searched the Rogers' home in San Gabriel, but declined to say whether anything found there might be used in prosecution of the case.

HUB CITY

Continued from page 1

would like to make, Mr. Little?" asked Smith.

"No," said Little.

Martinelli then put in, "As I said for the press last week, I'm 100 per cent behind you, mayor."

Mrs. Booth then moved that the council repeal the city manager ordinance and instruct City Attorney Buresh to prepare a city administrator ordinance, vesting the administrator with no power to act without council directive.

"I have made the statement several times that there should be a full council present to act on measures of such importance," said Mayor Smith. "However, I know how Mr. Little and Mr. Franchini feel, because they have both voted me down on that policy." He asked whether the council wished to discuss repealing the manager ordinance in Franchini's absence.

MAYOR PASSES

Martinelli moved it do so. Mrs. Booth seconded him. Little voted "no." The mayor passed his vote.

There followed one hour and 45 minutes of pro and con discussion of the city manager—which often wandered far afield.

Little charged: "Two people on this council who may not be here next year are deciding the future of this city for many years and I say that's wrong."

(Terms of Smith and Martinelli expire next April. Although neither has publicly announced, both are expected to be candidates. Little said freely after the meeting that the city manager will be a campaign issue and he will campaign against Smith and Martinelli.)

Numerous members of the audience arose to speak for or against city manager government, or to ask questions.

QUESTION COST

Mrs. Paul A. Hammer of 156 Morningside drive wanted to know how much it cost to install and operate the city's double-entry bookkeeping system. Brewer said he couldn't say off-hand. At length, he was instructed to get the figures ready for next Tuesday's adjourned council meeting.

Another woman wanted to know the cost "of putting out those blue books" (ring-bound volumes of the 1959-60 city budget). Brewer said he could get that figure during the 10 p.m. recess — but later, nobody thought to ask him for it.

At times, the argument between Little and Mrs. Booth mounted to shouted invective.

Several residents, including Russell H. Spatz, president of the San Anselmo Improvement League, spoke in favor of the city manager. Speakers on both sides drew bursts of applause.

PRESENTS PETITION

Little presented a pro-city manager petition signed by 20 residents of Calumet avenue. Mrs. Booth countered with an anti-city manager petition signed by 27 residents of Suffield avenue.

Lee Busolo, chamber of commerce director and planning commissioner, spoke in favor of city manager government and pointed to a letter favoring such government from the chamber of commerce board which was read at the preceding meeting.

Mayor Smith accused Busolo of starting a rumor that the police chief's job was to be "five-five and Sam — five months for (Raymond R.) Buchignani, five months for (James) Orr, and then (Sam) Serio."

DENIES STARTING IT

Busolo hotly denied starting the report, although he admitted repeating it. Mrs. Booth called the rumor "ridiculous." "I wouldn't cut Buck's throat," she declared hotly.

Directing his attack at Martinelli at one point, Little shouted: "Nothing specific has been said against a city manager. What do you object to? Is it the man?"

"I won't say," replied Martinelli.

Declared Mrs. Hammer: "In 28 years I have never seen a demonstration like we had tonight except when Cecil Allen was on the board." (Allen was a target of an unsuccessful recall movement 10 years ago.)

Through it all, City Manager Brewer sat without saying a word, until someone asked how much the proposed city administrator should be paid. Mrs. Booth suggested $500 a month. Several, among them Kenneth R. Ball, who was on the council when the city manager ordinance was passed, objected strongly to such a low figure. Martinelli suggested $700.

Then Brewer broke his silence.

"It seems obvious to me the majority of the council no longer requests my presence as city manager," he said. "May I suggest I give you my resignation tonight, effective in 30 days. Then you could set some salary that would attract a good man."

"You mean you wouldn't want until Nov. 1 to give you some time to look around for another job?" asked Martinelli.

"Not at $500 a month," said Brewer.

Assured that he would receive his present salary ($900 a month) until the effective date of the city manager repeal, Brewer said he might remain.

Little then praised Brewer for his sincerity, hard work, and "willingness to stick around . . . when he's on the guillotine."

Said Little: "This deserves a round of applause."

It got a hearty one.

FERRY

Continued from page 1

with a small group of family members and friends.

Two tug boats brought the steel-hulled passenger ferry to Sausalito from Oakland, floating her down with the tide in a two-hour trip.

Conover is owner of Sausalito's Trade Fair. He plans to move his enterprise into the Berkeley as soon as she is refurbished. She will be moved eventually — probably next summer — to permanent mooring on a six-acre site in the Richardson Bay tidelands adjacent to Commodore Aviation.

Conover bought the boat, for an undisclosed price, from the Golden Gate Fish Co., which had planned to convert her into a fish reduction plant. The fish company bought her from the Southern Pacific Co. after the SP discontinued ferry service between Oakland and San Francisco on July 30, 1958.

"She needs cleaning and painting," said Conover, "but we will keep the features which made the Berkeley the darling of Bay Area commuters for many years. The engine room, pilot house, stained glass windows and name boards, for example, will be kept intact. She will always be the Berkeley."

Structurally, he said, the Berkeley is sound — "she could start operating as a steam ferry tomorrow."

The Berkeley, a double-ender, is famous as the largest twin-screw ferry boat ever built for bay service and the first ferry with that type of power. Her engine is capable of 1,120 horsepower. She displaces 1,945 gross tons and could seat 1,472 passengers.

The Berkeley's keel was laid in 1898. She was put in service three years later and served until 1958. In the summer of 1956 she was the floating stage for a nationwide Arthur Godfrey television show.

The Trade Fair recently celebrated its 10th anniversary at 801 Bridgeway in Sausalito, an old parking garage which Conover salvaged. The import and craft store has 7,000 square feet of space there. It will have 20,000 square feet on the Berkeley.

Conover has retained Campbell and Wong, San Francisco architects, to design the refurbishing of the Berkeley and its permanent site.

Planners Get Marinwood Poser Again

The exact location of 18 acres of land reserved for recreation use in Marinwood was tossed back to the county planning commission by the Marin County Board of Supervisors yesterday.

W. B. Freeman, president of the Marinwood Assn., asked by letter that a decision be made. He said the planning commission was unable to decide even after "repeated meetings" what property in Marinwood is reserved for recreational use.

Board Chairman Walter R. Castro said the question would be referred back to the planning commission with a request for a recommendation.

In another Marinwood matter before the supervisors yesterday, the possibility of a firehouse site at the southwest corner of Lucas Valley and Miller roads was referred to County Counsel Leland H. Jordan and Supervisor Castro.

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going—and *coil* springs never squeak, never need grease! Try this velvet way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TREND magazine puts this way: ". . . the smoothest, most quiet, softest riding car in its price class." But the happiest part of it all is that this Full Coil ride is just one of *seven* big bests—all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A.* show that Chevrolet sedans offer more front seat head room than all but one of the *high*-priced cars—more front seat hip room (by up to 5.9 inches) than the "other two" of the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won expert praise from virtually every automobile magazine, and just recently, Chevrolet received the NASCAR† Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sixes with Powerglide won their class in this year's Mobilgas Economy Run, topping every other full-sized car. And the winning mileage was a whopping 22.38 m.p.g.

BEST BRAKES—Chevy's bonded-lining brakes are the biggest in their field, built for up to 66% longer life. In a direct competition conducted by NASCAR, Chevy outstopped both of the other leading low-priced cars in a test of repeated stops from highway speeds.

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST TRADE-IN—Any N.A.D.A.‡ Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to $128 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

Lie Tests Slated For Kayo, Accuser

Lie detector tests were scheduled today in San Francisco for Terence (Kayo) Hallinan of Ross and the youth whose jaw he is accused of breaking in a fight at Greenbrae last May 29.

Dist. Atty. William O. Weissich said young Hallinan, James Thalhamer Jr., of Fairfax and three other youths were to take the tests.

He said this was agreed to by him and by Hallinan's attorney, Edward Cragen of San Francisco, shortly after a recent court decision in which Weissich was ordered to turn over to the defense records in the case.

Weissich said he and Cragen agreed the results may be given to a jury during Hallinan's trial, which is scheduled to start early next month.

Weissich said this was "rather unusual" because the defense usually is not willing to make such an agreement ahead of time.

The district attorney said Vincent Hallinan, the youth's father, repeatedly said that his son was telling the truth when he said he was defending Dick Llewellyn from threats being made by Adelbert Smith. He contends he stepped in to make peace and Thalhamer "drew his fist back with the intention of striking me." Weissich suggested a lie test, and Hallinan agreed.

Weissich said the Smith boy, the Llewellyn boy and Thalhamer's brother, George, also present at the fight, would also be given the test.

The Llewellyn boy is on the side of the defense.

The tests were to be given by George Harmon, a lie detector expert.

Mill Valley Planning Fee Hike Considered

Fees collected by the Mill Valley Planning Commission for processing maps, plans and permits may be hiked to match those of the Marin County Planning Department.

Chairman R. Lannert Iglehart made the suggestion at last night's meeting as a means of raising added funds for the commission's activities. The commission adopted the proposal unanimously as a recommendation to the city council.

Councilman George W. Blackwell last week objected to funds being allocated to the commission from the city budget. He said it should provide its own income from fees.

The planners also agreed to Iglehart's suggestion that planning "work sessions" be held each Tuesday at 8 p.m. in the city hall when no regular meeting is scheduled.

The planners also:

1. Granted plan approval and a variance to Dr. William Pemberton, Mill Valley psychologist, for a professional building at Miller and Millwood avenues.
2. Approved rezoning a portion of the Gomez property at Sunnyside and Miller avenues to commercial. This portion had been overlooked in earlier rezoning.
3. Appointed Commissioner A. A. Hemmerling to serve on a committee to clarify plans for improvement of Boyle Park.

Cummins School Gas Pipe Corroded, To Be Replaced

Larkspur School District trustees last night authorized Supt. Carl Tivel to obtain estimates for replacing about 150 feet of gas line which is starting to pit and corrode at Corte Madera's Neil Cummins School.

Gerald Kasin, San Francisco consulting engineer, said there is no imminent danger of gas leakage. The board nevertheless asked Tivel and Kasin to attend to the matter before school opens Sept. 10, if possible.

Kasin recommended aboveground replacement of damaged gas lines wherever feasible.

The problem of water leaks at breaking connections is likely to continue "a good many years, until the soil finally has settled," Tivel reported today. "We may repair the lines as leaks occur, rather than try to replace them all at once."

The sinking campus has opened up small crevices between corridors and adjacent asphalting at Neil Cummins. As they appear, Tivel said, the gaps will be sealed by district custodial forces with gravel and plant mix.

The school buildings are in no danger because they rest on pilings, the board was told by Alexander Tarics, structural engineer with John Lyon Reid and Partners, San Francisco architectural firm.

Larkspur trustees also:

1. Awarded Patchett's Transportation Co., the only bidder, a $6,750 contract for providing school bus service in 1959-60.
2. Learned that classrooms of the district's third elementary school, under construction in Larkspur, should be ready for the opening of school, with shops and multi-use room to be completed about one month later.

HAFB Craft Seek To Save Man In Sea

JENNER (UPI)—An unidentified fisherman was reported clinging to a rock in the ocean six miles north of here today after he fell from a cliff.

The plight of the man was reported by his fishing companion to the Sonoma County Sheriff's Office, which immediately notified the rescue coordination center at Hamilton Air Force Base.

Hamilton sent an SA16 amphibious plane and a helicopter from the 41st Air Rescue Squadron and the Coast Guard also sent a helicopter.

A volunteer rescue squad from Guerneyville also went to the scene.

City Government Forms Subject For Radio Panel

The question, "Should a city of 12,000 population or less have a city manager or city administrator form of government?" will be discussed on the "Marin Sounding Board" over radio station KTIM from 9 to 10 a.m. tomorrow.

On the panel will be two members who were on opposite sides as San Anselmo's city council voted last night to repeal its city manager ordinance: Carleton G. Little (pro-city manager) and Carmel H. Booth (anti-city manager). Third panelist will be Robert D. Huber, mayor of Mill Valley, which has the council-manager form of government. A fourth panelist is yet to be selected, moderator Kitty Oppenheimer said today.

Committee Backs Hike In U.S. Bond Interest

WASHINGTON (UPI) — The House Ways and Means Committee today approved a watered down proposal to allow the Eisenhower administration to pay higher interest rates on government bonds.

Help Pours In For Lagunitas Fire Victims

Contributions of money, clothing and household articles continued to arrive in Lagunitas today for the benefit of the Woodrow H. Wilson family, whose home was destroyed Monday by a fire which claimed the lives of the family's two youngest children.

Cash contributions were being accepted by several persons and no total was available today. However, Mrs. Wesley Tanzi reported she had received $135 and knew of another $50 that has been collected, with additional contributions still arriving.

GET APPLIANCES

Through the efforts of the Marin County chapter of the Red Cross, the Wilsons have been supplied with a stove, refrigerator, water heater and butane tank for another home which they own and have been remodeling.

The Alpine market in Fairfax has donated $100 in merchandise, and many other stores in Fairfax, the San Geronimo Valley and San Rafael have donated clothing and other merchandise, Mrs. Tanzi reported. Many individuals have also contributed clothing.

STILL ACCEPTING

Mrs. Tanzi said she will continue to accept donations for the Wilsons through Saturday. Her address is Box 6, Lagunitas. After that time, she will be on vacation, she said, but donations may be made via the Lagunitas post office or directly to the Wilsons.

The fire occurred Monday afternoon and burned the Wilsons' home to the ground. Robert Wilson, 3, and his brother, Rocky, 2, were burned to death in the basement. The children had been playing with matches, according to a playmate who escaped from the blazing house.

Drowning Fixed As Death Cause

Autopsy on the body of Mrs. Alice Leslie Foye, 55, San Francisco woman found dead in the bathtub of her summer cottage near Nicasio yesterday, was reported by Coroner Frank J. Keaton today to have shown drowning as the cause of death.

Further examination is to be made, Keaton said, in an effort to determine whether death was accidental or a suicide.

Real Estate Views and Values

Many people ask me how our house trade-in plan works. It's very simple and works out something like this: A person can convert the equity in his present home into a part payment on another home better suited to his family needs, without the financial worry that usually goes with such a transaction.

Our office advances the necesssary money to make the down payment on the new property, provided the buyer's equity in his present home is large enough. At the time this advance is made, we enter into an agreement with the buyer to take his present home in trade for a specified sum. Normally there is a 90 day period during which we try to sell the buyer's home. If the home does not sell within the listing period, we take title to the property and pay the guaranteed price.

Ray Kopf

Some of the special advantages of such a guaranteed trade plan are these: A family can select a new home, arrange for financing, and even move into the new home before their old one is sold. This saves the worry of getting caught with two houses and two monthly payments. Also it avoids a double move, and searching for temporary quarters at high rents. Besides, the family is assured a guaranteed maximum price for their old home.

Bring your housing problems to us—We love to trade and arrange trade-ins. Many satisfied clients will testify to the peace of mind that accompanies such a transaction. Wm. E. Doud & Co., 25 E. Blithedale, Mill Valley, DU 8-8494.

OBITUARIES

Jane Steele Matthews Of Bolinas Dies

Bolinas lost one of its oldest citizens yesterday when Mrs. Jane Steele Matthews, 92, died at her home.

A Bolinas resident since she was a small child, Mrs. Matthews had served as the town's postmaster for the past 30 years.

An elder of the Bolinas Calvary Presbyterian Church since 1909 and treasurer of the church since 1929, she was the wife of the late Crosbie Matthews, also a lifelong Bolinas resident.

For 30 years prior to his death in 1950, Matthews had served with the Coast Guard as a machinist's mate third class and was stationed at the Bolinas unit.

Mrs. Matthews is survived by a brother, James Steele, also a Bolinas resident. Her parents were among the four or five founders of the Bolinas Calvary Presbyterian Church.

Funeral services will be held at the church, with Rev. Frank Iske officiating, tomorrow at 10:30 a.m. She will be buried in Golden Gate National Cemetery.

Retired Officer, Stinson Beach Resident, Dies

Lt. Benedict R. Mess, U.S. Coast Guard (retired), well known resident of the McKinnon's Landing section at Stinson Beach, died Monday evening at Marine Hospital in San Francisco after a short illness. He was 60.

A career officer in the Coast Guard, Lieutenant Mess retired seven years ago after 30 years' service which included combat duty in the South Pacific during World War II.

He had been active in Masonic circles. He was a member of Claiborne Lodge 185, F. and A. M. of Point Arena,; and Point Arena chapter 291, Order of Eastern Star, also of the Golden Gate Warrant Officers' Club and the Retired Officers' Assn. He was a native of Mount Angel, Ore.

He is survived by his wife, Frances, a member of the McKinnon family which has been identified with Stinson Beach for many years, and by two sisters, Mrs. Leonora Bogner of Fort Smith, Ark., and Mrs. Cyrilla Dooner of Dade City, Fla., and a brother, Peter W. Mayes of Lakewood, Ohio.

Funeral services will be held Friday at 2:30 p.m. at the Russell and Gooch Funeral Chapel in Mill Valley, under auspices of Mill Valley Lodge 356, F. and A. M. Interment will be private at Golden Gate National Cemetery, San Bruno.

Rites Tomorrow For Shipbuilder

Funeral services for Lynn H. Korndorff, San Rafael resident and former shipbuilding executive, who died Monday at a local hospital, will be held tomorrow at 11 a.m. at N. Gray and Co., San Francisco.

Korndorff, 76, had been a resident of San Rafael for 12 years. He was formerly president of the Federal Shipbuilding and Drydock Co. of New Jersey, a subsidiary of United States Steel Corp.

Death was attributed to a heart ailment.

Korndorff was a member of the Marin Yacht Club and the Family Club of San Francisco. He and his wife, Leona, resided at 315 Margarita drive. He was a native of New York.

Besides his wife, he is survived by two grandsons living in Whittier.

He attended the Fifth Avenue Presbyterian Church in San Rafael and was a 50-year member of the Royal Arch Masons of Ohio.

He will be buried in the Catacombs at Cypress Lawn Cemetery, Colma.

Last Rites Held For Sting Victim

Family funeral services were held today for William Allen Yockey of Mill Valley, who died Monday night from the effects of a yellow jacket sting at his home at 500 Ralston avenue.

He is survived by his wife, Frances; a 3-year-old daughter, Jane, and his father, Charles, at the Mill Valley address; a brother, Bernard, in St. Louis and a sister, Mrs. Kenneth Hobbs of West Hartford, Conn.

The family has requested that tributes be in the form of donations to CARE of San Francisco.

Boy, Firecrakers Blamed For Blaze

A grass and brush fire started by a child playing with firecrackers did minor damage to the roof of a Kent Woodlands house yesterday afternoon.

Sparks from the hillside blaze landed on the shake roof of the Harry D. Johnson home at 44 Diablo drive, starting a small but potentially dangerous fire at one corner.

Kentfield firemen quickly doused the rooftop fire after it had damaged a section about three feet square. The grass and brush fire also was halted in short order. Firemen said it burned an area about 100 by 100 feet.

The Kentfield department sent two trucks to the scene at 12:25 p.m. They remained about one-half hour.

The fire burned a strip to the back patio of the Robert Dollar Dickson home of 10 Laurel way. The deputy said he questioned an 11-year-old boy, who said he had been playing with firecrackers.

The boy was not held, but gave up 16 packages of firecrackers to the deputy and was lectured about the hazards of fires.

Hub Council Debates Selling Old Powerhouse

The San Anselmo City Council last night moved to start proceedings to annex the Sorich property sought for a new city corporation yard, and made a gesture toward disposing of the old Northwestern Pacific Railroad powerhouse building on the present corporation yard site at the Hub.

Councilman Carmel H. Booth's suggestion that the city get new appraisals of the "brick building property," in hope of selling it to help pay for the Sorich property, drew immediate objection from Councilman Carleton G. Little.

He said he had never heard of any idea of selling the Hub parcel.

City Manager Arthur W. Brewer said the present corporation yard property "would be very crucial to the master plan." It is necessary, he said, for widening Center boulevard and providing a parking area that is included in planning consultant James M. Campbell's downtown redevelopment proposal.

"To my information there would be no portion that could be sold," said Brewer.

However, in one of the very few unanimous votes of the council meeting, Little went along with a proposal that Councilman Jordan L. Martinelli get an up-to-date verbal appraisal of the property. Martinelli said it would cost the city nothing.

It developed, also, that Brewer has received several bids for tearing down the old powerhouse. He did not quote any of the bids, but said the cost would "run over $1,000."

Also by unanimous action, the council adopted a resolution annexing the Sorich property of some 60 acres at the end of San Francisco boulevard, which it is planned to acquire by lease-option for a corporation yard and possible park.

City Atty. John G. Buresh received (3-1, Little dissenting) a new four-year contract at $5,700 a year.

Also at last night's meeting of the Hub City council:

1. Mrs. P. S. Ferris was granted (3-1, Little dissenting) permission to split into three lots a large lot at 26 Alderney road, provided she signs up for an assessment district to improve Aldernay and Oakland avenue. She objected to having to bear the entire street improvement cost. The assessment district was proposed as a solution by City Manager Brewer. Charles Leitzell of 72 Oakland avenue agreed to spearhead an attempt to get property owners to agree to the district.

2. Employment of another fireman for three months, so the fire prevention bureau can again start operating, was approved 3-1, Little dissenting. One fireman recently resigned and William Sousa was moved from fire prevention duties to other work.

3. The improvement map for Woodland Park subdivision No. 2 was approved (3-1, Little dissenting).

4. An ordinance establishing the city treasurer's salary at $50 per month was enacted (3-1, Little dissenting).

5. The uniform firm prevention code ordinance was introduced.

6. Norman Swall was given approval (3-1, Little dissenting) to split a lot at Oak Knoll avenue, despite a 4-2 turndown by the planning commission.

7. Warrants totaling $67,584.05 were approved.

8. Other items on the agenda, not reached by 12:25 a.m., were put over to next Tuesday night, when the council will also sit as a board of equalization.

Councilman William Franchini was absent.

Chief imports of Russia are metals and machinery.

Public Hearing On Apartment Zoning Slated

A public hearing on unincorporated Marin County's proposed new apartment zoning regulations was set for Sept. 1 by the county board of supervisors yesterday.

The proposed new ordinance provides that:

1. A building site contain at least 1,000 square feet for each apartment unit.

2. One paved offstreet parking space be provided for each apartment unit.

3. At least 20 per cent of a building site be landscaped and kept free from either buildings or paving.

4. Extra site area must be provided when the lot includes an artificial cut or embankment.

The proposed new ordinance contained no mention of a six-unit maximum per apartment building, as had been discussed by the county planning commission.

In other planning matters yesterday, the county board of supervisors:

1. Set a Sept. 1 public hearing on a petition of William and Irene Nave to rezone to commercial 2.16 acres next to the Nave Shopping Center, bringing its total area to eight acres. The rezoning is favored by 98 persons who live nearby and who signed a petition.

2. Granted a 10-year use permit for sale of nursery products and supplies on the north side of Novato boulevard across from the intersection of McClay avenue, Novato, to Mary Armas.

3. Approved shorter front yards for 55 lots in Paradise Cay, Tiburon peninsula, which have back frontages on the water. An adjustment from the county's 25-foot front setback to 15 feet was granted to Pullman Building Co.

4. Granted a use permit to John E. Bowen to develop the "Silver Hills Country Club," a private country club, on the north side of Olive avenue, 600 feet west of Deer Island lane in Novato. Planned for the country club are a golf course, pro shop, driving range, tennis courts, swimming pools, picnic areas, archery ranges, club houses, bar and dining facilities, and a health studio.

5. Approved a final map of Terra Linda Subdivision 12, originally a portion of Terra Linda 8 which was re-graded with new lot designs.

Charge Clarified In Kistler Case

The district attorney's office today further clarified the conviction of former San Rafael newsstand operator Donald D. Kistler Jr., 34, who recently was granted a work furlough arrangement while serving his sentence in the county jail.

Kistler was charged with and convicted of keeping for sale and exhibit obscene materials, Dist. Atty. William O. Weissich said.

ROTARIANS HEAR TALK

Man-Eaters Speedy, Bold, Scientist Says

Man-eating sharks are quick as a wink, bold as brass, and they get around. Maybe it was one of them that swallowed Jonah.

These tidbits of aquatic lore, timely because of recent white shark nettings off Marin shores, were passed on to the Mill Valley Rotary Club at its luncheon yesterday by Robert A. Dempster out of his 18 years as associate curator of aquatic biology at San Francisco's Steinhart Aquarium.

SPEEDY TRAVELERS

"An attacking shark travels at tremendous speed," said Dempster, adding that the sharks don't scare easily and are not always repelled by supposed shark-repellants.

Though the shark has poor vision, it has "extremely active senses of odor and vibration," Dempster said.

The great white shark is only an occasional visitor in these waters and usually doesn't go into shallow waters unless attracted by odor, he said.

As to Jonah, Dempster said he agrees with a theory advanced by Scandinavian students of icthyology that Jonah was swallowed by a man-eating shark rather than a whale.

29 SPECIES KNOWN

Twenty-nine species of sharks are known on the Pacific coast, most of them small and harmless, said Dempster. During the early 1940s the soup-fin shark was hunted by fishermen in tremendous quantities because the high vitamin liver content made them worth $50 each—"so they were just about killed off."

Harmless to humans, these sharks now are protected by fish and game laws.

Museum efforts to get a good white shark specimen alive have been handicapped, Dempster said, by the fact that usually these sharks when caught are strung up by the tail, which breaks their backs.

Big sharks don't lay eggs but give birth to "pups," said the speaker. Museum folk are on the lookout for mature females carrying pups. These could weigh 3,500 pounds and measure 25 feet in length.

The great white shark was termed "cosmopolitan," found in many areas, and the highly dangerous tiger shark takes mostly to warm waters, especially in the south Pacific. There are reports that one was found with a Newfoundland dog in its stomach.

If you're worrying about the killer whale, watch the sea lions.

"They head for the highest rocks quick when these come along," said Dempster. "The sea lions can sense presence of the killers and they are mortally afraid of them."

Before "Madame Butterfly" was made into an opera by Puccini, it was a serious play without music written by David Belasco.

FLOCKS OF SEA BIRDS DARKEN STINSON SKY

Flocks of sea birds, so thick as to make the sky appear almost black, swirled in over the ocean off Stinson Beach between 7 and 8 o'clock last night, apparently feasting on a huge school of sardines or anchovies.

Ruth Miller, Stinson Beach real estate broker, reported spectators on shore identified the birds variously as "surf ducks" or scoters.

"We have seen large flocks of birds before," Miss Miller said, "but never in such tremendous quantities at one time."

She said they remained in the area for more than half an hour and finally disappeared out to sea.

Water Bill Agreed Upon

WASHINGTON (AP)—A compromise $1,200,000,000 water projects appropriations bill has been worked out by a Senate-House conference committee.

The committee's report is subject to appraisal by both branches.

As finally worked out by the conferees, the bill is about 85 million dollars over the amount recommended by President Eisenhower. It includes construction or planning funds for about 85 new projects. The President had recommended no new projects be started this year.

Opposition Kills Two Private Club Proposals

A private swimming club request was withdrawn and a tennis club proposal met defeat before the San Rafael Planning Commission last night.

Both actions were the result of strong property owner opposition.

An application for a use permit by Spiliotis and Co. for construction of a private swim club on Mountain View avenue was withdrawn.

Planners were told a corporation was still being formed, but construction would not be started until enough members could be signed up. The number was not mentioned.

Planners and property owners, several of whom appeared and objected, were offered copies of proposed corporation bylaws. Property owners asked that the application be continued for a month until others returned from vacations. At length, the application was withdrawn "for the time being."

Planners, by a vote of 4 to 2, denied an application for a use permit from Miller and Severin, San Rafael architectural firm, for construction of a tennis club on Orchid drive in Terra Linda. Voting against denial were Commissioners Eugene O'Connor and Carl Brown.

The club was described as being similar in plan to those in Ross, Belvedere and Mill Valley.

It would be built on a three and one-half acre site, and, according to Robert W. F. Severin, would be screened off by planting and would contain parking space for 50 cars.

Residents of nearby Oleander drive, all living in the unincorporated area of Terra Linda, protested the plan.

Harry Rodrigues of 250 Oleander drive said: "If this plan and that of the CSR (the proposed Terra Linda Community Services District recreation center) go through, I'm going to have swimming pools and tennis clubs coming out of my ears. The reason I moved here was for a nice, quiet community."

Norman M. Travis of 211 Oleander said: "It's going to take more buffer. The parking lot is bound to have an overflow, and I'm concerned for the safety of my children."

Howard M. Morse of 200 Oleander said the "bowl" where the club was planned reflects sound. "You can hear a normal conversation," he said, from some distance. "Think of 50 voices! I think this is grossly unfair and should be rejected."

Several other persons spoke against the plan. A petition bearing the signatures of 39 persons at 21 addresses also was presented in opposition.

ARMLESS, HE PLACES RING WITH TEETH

AUCKLAND, New Zealand (AP) — James Parkinson, an armless artist, placed the ring on the bride's finger by holding it in his teeth when he was married yesterday to Audrey Omeara, a dentist.

"I was petrified he might swallow it," said Audrey later.

After a visit to Honolulu the couple will go to New York where Parkinson will be fitted with artificial arms at Bellevue Medical Center. The public subscribed $5,000 to make this possible.

Parkinson lost his arms in a tractor accident 18 years ago.

Violations Of San Rafael Subdivision Law Claimed

San Rafael planning commissioners last night were told by Planning Director Mitchell Baird that several property owners along San Quentin road have parceled off and sold land in violation of the city subdivision ordinance.

Baird said drainage in the area is improper, and asked the commission to seek a remedy. He said land owners have split and sold property without filing a subdivision map.

The commission voted to ask the city attorney to take any legal action necessary to see that city law is complied with.

Baird said property owners include Harry Heifetz, Lee Ceccotti, Parnow Brothers and Ghilotti Brothers.

The planners also:

1. Clarified a use permit recently granted Harry Albert for zoning on Fifth avenue for an automobile supplies and appliances building. Repairs, to include installation of tires, mufflers, seat covers and brakes, will be permitted.
2. Granted a use permit to Pacific Telephone for the construction of a 20-foot radio antenna on top of its building on H street. It will be used for the radio system in the company's maintenance vehicles.
3. Set Aug. 25 and Sept. 8 as public hearing dates on zoning for the Freitas ranch annexation.

Air Force Fires Super Bomarc

CAPE CANAVERAL, Fla. (AP) —The Air Force's new super Bomarc-B antiaircraft missile bolted skyward today on a short-range test flight.

This was only the third test for the 47-foot rocket and the Air Force said it was not set to fly its full 400-mile range over the Atlantic.

The missile is designed as a defense against slow-moving guided missiles as well as planes. Its speed is believed in excess of 2,000 miles an hour.

Switzerland has kept out of foreign wars for more than 150 years.

Man Accused Of 'Clipping' Barbers To Face Charges

Ernesto Montano of San Rafael, accused of clipping a pair of barbers for $10,300, was held to answer in San Francisco Superior Court on 12 counts of grand theft and two counts of selling stock without a permit yesterday.

Montano was represented by Public Defender Joseph Kennedy at the preliminary hearing before Judge Lenore T. Underwood in San Francisco Municipal Court. Asst. Dist. Atty. John M. Dean is prosecuting.

Montano allegedly bilked Edmond V. Alipranti, a San Francisco barber, and his father, Vincent Alipranti, a retired barber, with claims he represented a syndicate headed by Granlee Realty of San Rafael which was developing a supermarket, "the 101 Market," on Highway 101 at Lucas Valley.

Paul B. Granlee of the real estate firm testified at yesterday's hearing that he had never heard of Montano.

The U.S. Navy Yard at Kittery, Me., is a major United States submarine construction and repair port.

Terra Linda Theater Sets Play Tryouts

"The Curious Savage" by John Patrick, author of "Teahouse of the August Moon," will be the fall production of the Terra Linda Little Theater, it was announced today.

Tryouts for the play will be held at 8 o'clock tonight at the Hoffman Elementary School in Terra Linda, according to Warren Hamilton, publicity director. Callbacks will be at 8 p. m. tomorrow at 1065 Las Ovejas, Terra Linda.

David Sacks, San Francisco film and television actor, will direct the 60-member group which recently produced "Chimera Obscura" at San Rafael High School.

Reed Trustees Meet Tomorrow

Reed Union School District trustees will discuss the preliminary site development of the future Del Mar Estates seventh-eighth grade school at a meeting at 8 p.m. tomorrow in the Tiburon boulevard district offices, according to Supt. Paul R. Stouffer.

Howard Rowe, field representative for the Division of Schoolhouse Planning of the state Department of Education, will attend the meeting and answer questions regarding the site, Stouffer said.

Also on the agenda are a report on the summer school program and award of contract for kitchen equipment in the Bell Aire School addition.

Japan To Explore Big Hole In Sea

TOKYO (AP) — For centuries, Japan has been bothered by a hole in the floor of the Pacific Ocean. Now it wants to do some thing about it.

The Japan Deep, a 1,840-mile-long trench, long has been associated in scientific theory with the earthquakes and tidal waves that have plagued this island nation.

The Japanese government ship Ryofu Maru, manned by scientists, will sail Sept. 5 on a month long mission to unlock some of its mysteries.

City, County Officials Should Review Laws On Explosives

Last week the shattering explosion of a dynamite-laden truck rocked the little town of Roseburg, Ore. A dozen persons are dead or missing, another dozen bodies may be uncovered in the wreckage of eight square blocks of rubble that was the downtown area. Three hundred and fifty business establishments were damaged, many of them destroyed. Millions of dollars damage was done.

All because a truck loaded with six tons of dynamite and ammonium nitrate was left parked at a downtown curb.

After the horror of such a catastrophe has ebbed slightly, you are left wondering:

Could that happen here?

The answer in most parts of Marin is: Yes, it could happen.

So far as we were able to find out, only two Marin cities — Mill Valley and San Rafael — have regulations making it unlawful to park such a death-laden vehicle on a downtown street. Neither is there anything in county law which would prevent the same thing from happening in Novato, Tiburon, Kentfield or Marin City.

Mill Valley has the strictest regulation. Any moving of explosive through the city must be under permit, it must be in the daytime and must be police escorted. Dynamite is allowed in the city only during daylight hours, city officials told us.

San Rafael too requires a permit to move explosives anywhere in the city. It also has regulations regarding type of vehicle, where it is parked, how it is labeled and absolutely prohibits any vehicle being left unattended while it contains explosives.

In other Marin areas, however, there is no such protection. Some police chiefs and the district attorney are looking again at their ordinances, but first reactions were like these:

"We don't have anything that would have prevented an explosion like that one."—Marin County.

"I don't know of any such law" — Larkspur.

"We regulate the storage of explosives, but we don't have any ordinance prohibiting transportation of it through the city."—San Anselmo.

Reports from the other cities were roughly the same.

We're not attempting to create panic in the minds of the populace. The combination of circumstances which made a horror of Roseburg may not happen again for many years, if ever.

But we think that perhaps councils, supervisors, chiefs of police and fire chiefs in the various cities and county should consider their own situations to see if they need reasonable restrictions, which would not interfere with proper ues of explosives in construction or excavation, but which would protect Marin residents from a Roseburg calamity.

BUILD UP, DON'T TEAR DOWN

People are often justified in writing letters of protest when taxes are skyrocketing; education is falling short of its goals; entertainment is lacking in good taste or labor or business overstepping proper bounds.

But necessary as such letters may be, far greater good is accomplished through those which stipulate in a positive and constructive way what the writer actually prefers or approves.

Those in positions of influence say they receive many letters of complaint but seldom any commendations for a job well done.

Give credit where credit is due. A word of praise does much to stimulate a greater sense of personal responsibility on the part of those in the public service or the creative fields.

Don't overlook what you—and others like you—can accomplish in shaping vital trends, both present and future. You will be doing a holy work if you play your part.

"Be not overcome by evil, but overcome evil by good." (Romans 12:21)

Encourage me, O Holy Spirit, to find the element of good in every one and build on that.

How About This As Itinerary For Khrushchev In America?

NEW YORK (AP) — Every adult American seems to have his own ideas about what we ought to show Soviet Premier Nikita Khrushchev during his visit next month.

Some would brusquely show him the door. Some would sweep the dirt under the rug and let him see only the parlor—first counting the silver, of course.

But, perhaps surprisingly, a majority of letter writers to the newspapers on his topic favor showing the Soviet leader the great American house from top to bottom — not only the spotless kitchen and living room, but also the debris in the attic and the leaky corner in the basement.

They want him to see us with our best foot forward, true, but they also have a ruggedly honest wish that he see the bad about us as well as the good — the defects we know we have and have not yet corrected.

Behind this attitude lies a wholesome and sturdy desire to prove to Khrushchev — or any one else who comes along — that, above all, Americans aren't hypocrites.

What could you show him that would give him a real feeling about America?

Here are stops on one man's ideal Baedecker for Nikita:

The New York Stock Exchange. No Soviet leader's life is complete without a visit to Wall Street.

A Sunday drive through any neat suburban town anywhere in America, just as the churches are letting out.

A big annual family reunion picnic at any small farm in the Midwest or South. He could count the cars.

A New England town meeting, to show him that in American Democracy and government spring from the individual.

An integrated public school in New York. The public school is the place where, above all, the melting pot melds all races and creeds into Americans.

Any strike-bound town, such as Homestead, Pa., to show him that labor in America is not a total prisoner of either capital or government.

A VISIT to Harlem and the Bowery, or the slums and skidrow sections of any big American city — and the dents being made in them by new housing developments.

The Gridiron banquet in the nation's capital, when top U.S. officials sit and watch themselves being satirized in sharp but good-natured ridicule. Is that done anywhere but America?

A big league baseball game or college contest.

GO THROUGH the United Nations on a guided tour with tourists from all over the country — to find how greatly a hope for peace is part of the American dream.

If Khrushchev does these things, he may or may not like us any better — but he'll understand Americans as they really are. And he'll surely feel the trip was worthwhile.

WHAT OUR READERS SAY

Pointing, Yelling At Ugliness

EDITOR,
Independent-Journal:

An editorial in the Independent-Journal, July 28, concerning the finishing of the road leading to the new bridge in Larkspur says — "Best way we can think of is the good old American practice of pointing your finger at the guy who is impeding progress getting up on your hindlegs and yelling loudly enough so everybody can hear what it is all about."

There was a time when the writer's legs would carry him all over Marvelous Marin. From Tiburon or Sausalito to Stinson Beach. From Muir Woods, over Mt. Tamalpais to Point Reyes, etc., etc. — Now as the locomotive appendages are nearing the century mark, because they seem to leg they probably are such hindlegs mentioned by the editor. They still carry us to and fro on the Miracle Mile where is many a tree 'that only God could make,' besides other miracles.

Well, here we are on our hindlegs. Please, Mr. Editor and good citizens of Marvelous Marin, hasten to help us. Please do the pointing and yelling. After all, it is cooperation that accomplishes things.

Your fingers could point out how ugliness is revealed and beauty of tree-clad hills and skyline is hidden between Sequoia Drive and Sir Francis Drake Blvd. Let the unartistic artists compare that stretch of road with the one from Bolinas Ave. to Kentfield.

If angels should weep because of the sight at the intersection of the Miracle Mile and Buena Vista Ave., you would be moved to yell.

The pile of rubbish that has been there for months is some 35 feet long and of grievious width and height. What an inspiration for litterbugs!

Incidentally, in Uncle Sam's territory we have already mounted higher on the litterburg-ladder than in any other civilized country.

The maker of trees, stars and hummingbirds would not help us in mounting higher.—Rather, He would let us fall down and break our necks.

The pointers can point to front yards more unkempt than many a backyard in a hick-town.

Because fences mostly desroy the effect of landscaping, an artistic soul years ago suggested what he called defencing on Lincoln Ave. in San Rafael.

Well, on the Miracle Mile we are still optomistic as many Hindleggers, Pointers and Yellers have joined us, but alas, when we stand before a newly constructed monstrosity called a fence, our chins sag. We are dumbfounded and flabbergasted. A passerby, who with a glance takes in the situation, said, by the way of encouragement — lightning from the sky will destroy such desecration of the Miracle Mile.

Another ditto said, while looking upward — Please, Maker of hills and trees, that in one night grew a gourd to protect poor Jonah's head, please speedily let almost any thing grow up to cover the monster.

GOVERNORS CONFAB SHOWS

Demo Presidential Race Is Tightening

By JACK BELL

WASHINGTON (AP) — The contest for the Democratic presidential nomination appears to be tightening, with indications that top contenders may be able to push some favorite sons out of the running early in 1960.

The 51st Annual Governor's Conference in San Juan, Puerto Rico, last week gave little apparent support to the aspirations of Democratic Govs. Robert B. Meyner of New Jersey and G. Mennen Williams of Michigan.

Meyner and Williams were unusually vocal in conference sessions but it was not noticeable that they made any political headway. Neither was there any outward surge of support for any of the other potential candidates.

AMONG THE Democratic governors there was a recognition that Sen. John F. Kennedy (D-Mass.) has at least secondary support in all the favorite son states. There was also an awareness of a continuing strong sentiment for Adlai E. Stevenson, who says he isn't making a third try for the party's nomination.

Gov. Orville L. Freeman of Minnesota got a polite reception — but no public recruits — when he sang the praises of Sen. Hubert H. Humphrey (D-Minn). Humphrey is billing himself these days as a sort of favorite son of the Middle West.

There was discussion, but again no burst of support, for Sen. Stuart Symington (D-Mo) and Senate Democratic Leader Lyndon B. Johnson of Texas.

HUMPHREY IS pitching his entire campaign on the assumption he can beat Kennedy in the April 5 Wisconsin primary. If he should lose there, he probably would be out of the race quickly.

Kennedy is almost certain to challenge Gov. Michael V. DiSalle in Ohio's May 3 primary if the latter assays a favorite son role. The Massachusetts senator is determined also that Gov. J. Millard Tawes shall not block Maryland off from him with an uninstructed delegate slate.

There have even been hints that Kennedy might take on Meyner in New Jersey's April 19 primary, although the result of the vote would not be binding on the delegates. Pennsylvania, where Gov. David L. Lawrence remains publicly undecided, also may offer Kennedy a target in its April 26 non-binding primary.

THE ONE STATE that seems to be Kennedy-proof, so to speak, is California. There Gov. Edmund G. Brown has erected a fence against candidates in the primary that neither Kennedy nor Humphrey seems ready at this point to attempt to leap.

In a reversal of what appears to be the static fortunes of other favorite sons, Brown now gives the appearance of a man who has thought the matter over and has come to the conclusion he is about as well qualified for first place on the ticket as any of the others.

Win Or Lose, North Marin Pony All Stars Will Be Sportsmen

It's still too early to know, as I write this, if the North Marin Pony League All Stars who are representing Northern California in the Far West regional baseball tournament in Provo, Utah, will come out as the champions.

But one thing we can count on is that the boys will display good sportsmanship.

Team Manager Joseph Tucker and Coach Gene Chaon, during the past four weeks that they have guided the All Stars toward the regional tournament, have insisted that sportsmanship be held above home runs.

"Gene and I have refused to go onto the field to protest an umpire's decision. And the boys aren't permitted to enter that kind of a dispute, either," Tucker explains.

"Before every game, we remind ourselves that our first duty to the game is to conduct ourselves as gentlemen. I don't think we'll ever regret it."

THE NOVATO junior chamber of commerce didn't have to look far for a chairman to head up its emergency fund drive in North Marin, Aug. 17-30 for the National Foundation for Infantile Paralysis.

Jaycee treasurer Karlton (Bill) Nye was given the job.

Bill, still confined to a wheel chair, was stricken with the crippling poliomyelitis early in 1954.

DURING LAST week's blood drive at Hamilton Air Force Base, most of the air personnel of the 78th Fighter Group stayed away from the Irwin Memorial Blood Bank mobile unit, causing the drive to miss its goal of 400 pints by 57 pints.

It was not cowardice that kept the flyers from venturing close to the donating station, but Air Force regulations.

Aircrews are not permitted to fly before 72 hours have elapsed after donating blood. When the blood bank came along the fighter squadrons were about to take off for aerial exercises.

IF YOU'RE TIRED of the TV ads, don't run to the recruiting station expecting to get away from it all. Even the Air Force has its enterprising hucksters.

The Bulletin, put out daily at Hamilton Air Force Base by the 78th Fighter Wing, has this reassuring heading:

"78th Fighter Wing — proven the best to protect the west."

No statistics were cited.

WHAT MOST people know is that the 83rd Fighter Interceptor Squadron at Hamilton came back home from Florida last month after a successful weapons training session out over the Gulf of Mexico.

What most people don't know is that the F104 Starfighter pilots aimed to miss—and we taxpayers ought to be grateful.

The Starfighters fired Sidewinder missiles at a remote-controlled jet drone target. The pilots were instructed to come close — "But please don't hit anything."

Reason: Every time a drone is shot down, $70,000 goes into the drink.

By comparison, the Sidewinders are a dime a dozen—$5,000 a throw.

Nixon's Trip To Russia Has Produced Diplomatic Breakthrough

Vice President Nixon's trip to Russia has proved to be much more important than many of us expected it to be. In fact, it has produced a diplomatic breakthrough.

This is not only because he has handled himself skillfully and with poise, but because he took with him to Moscow a large and unexpected and appetizing concession to Soviet policy. This was the acceptance of the idea that peace can be maintained by direct discussion at the highest level between Moscow and Washington.

This is a big departure from our previous position. Nixon was no longer insisting that there could be no discussion at the highest level until there was some substantial agreement by the foreign ministers.

BUT MOST IMPORTANT of all, he negotiated the exchange of visits, and thus he acquiesced in the idea of bypassing the multi-lateral foreign ministers and indeed the multi-lateral summit meeting itself by bi-lateral contacts between the United States and the Soviet Union.

Thus Nixon did not induce Mr. K. in Moscow to make concessions about Berlin and about Germany which Christian Herter has been unable to obtain from Gromyko at Geneva. What Nixon did was to propose to Mr. K. something much more interesting and attractive than the deadlock over Berlin. This opened the way to direct negotiation on global problems with the United States.

THE EXCHANGE of visits, arranged by Nixon, is a far-reaching and sensational event. It is a deliberate change of diplomatic strategy by the Eisenhower administration. This is shown by the fact that our allies have been consulted and their blessing has been obtained before Nixon in Moscow opened the door to a visit by Mr. K. Our allies and we have moved a long way since May.

Why? No doubt because we have learned at Geneva that we cannot get an agreement at the price that, collectively, we are willing to pay. At the same time, neither the Russians nor the rest of us have any appetite for a showdown over Berlin. They are ready, therefore, to try something else and are supporting a new strategy arranged by Nixon, which is to change the subject and to allow both sides to back away from a showdown.

WHAT WE HAVE backed away into is a round of popular diplomacy which draws its energy from the popular feeling everywhere that a nuclear war must be avoided. For the time being at least, the professional diplomats and the old chieftains abroad have been pushed aside by the politicians who are far more "flexible" than the diplomats ever dreamed of being.

Dr. Adenauer and Gen. de Gaulle have deflected Macmillan and they have held Herter in an unnegotiable position. But they have been unable to hold the Republican party in an election year.

For their pain, they have Nixon to deal with, and Nixon is not only running for President but is running on a very popular line, which is to avoid war by seeing a lot more of the Russians.

WORLD NEWS IN BRIEF

Bing, Son Fussing

LAS VEGAS, Nev. (UPI)—Gary Crosby, eldest son of crooner Bing Crosby, admitted today he is bitterly estranged from his father.

"We just don't get along," he told United Press International.

Russian, 151, Dies

MOSCOW (UPI) — A 151-year-old Russian man with "about 200" descendants had died in a Caucasian village, the official Soviet news agency reported yesterday.

Tass said Mahmud Eivazov, "the oldest inhabitant of Soviet Azerbaijan," died in the village of Perassura.

Ill Scout Rescued

EXETER (UPI)—A Boy Scout stricken with an abdominal disorder in Sequoia National Park was recovering today in an Exeter hospital following a strenuous horseback rescue.

Thomas Lean III, 13, of La Mesa, was brought to the hospital shortly before midnight.

Faces Murder Charge

WHITE PLAINS, N.Y. (AP)—The 20-year-old son of a Wall Street broker has been indicted on a first degree murder charge for killing a boy bicyclist with a small truck while trying to scare him. Conviction could mean death in the electric chair for Jonathan Mclain Young of Bedford Village, N.Y.

Young told police he was driving his pickup truck July 1 when he saw two boys on bicycles ahead of him. He said he headed his truck at them "just to scare them and not to hurt them, but I misjudged the distance."

Suspect In Slayings

ISLIP, N.Y. (AP) — A husky, crew-cut construction worker was in jail on a robbery charge today, but authorities apparently have been unable to connect him with three recent murders on Long Island.

He was, however, the "prime suspect at the moment," Suffolk County Dist. Atty. John P. Cohalan said yesterday.

The man, Francis H. Bloeth, 27, is an ex-convict.

The three slayings, which took place in the first eight days of this month in this eastern section of Long Island, netted less than $400. Two men and a woman were killed in three separate robberies.

Formosa Toll 645

TAIPEI, Formosa (AP)—Medical teams worked around the clock today to prevent epidemics in the wake of Formosa's worst floods of the century.

With 248,184 homeless on the Nationalist Chinese island, sanitation was a major problem. Officials said the latest count of the known dead after the disastrous weekend was 645, with 519 persons still missing.

FBI Gets Its Man

BUFFALO, N.Y. (AP) — FBI agents knocked on the door of a motel early today. A man opened it and the agents caught one of their 10 most wanted men in the shower.

They arrested James Francis Jenkins, 38, an accused bank robber who had chopped his way out of a cell in a Philadelphia jail last April 30 with a screwdriver.

Ship's Crew Safe

BOMBAY, India (AP)—The Indian destroyer Rana reported today that she had picked up all 37 crew members of the grounded U.S. tanker National Peace and was trying to refloat the 10,645-ton vessel. The tanker went aground Monday night near the Laccadive islands.

Fumes Sicken 65

NEW YORK (AP)—Acid fumes felled 65 people in Brooklyn yesterday and more than 1,000 others were evacuated from homes and businesses nearby. Twelve persons were hospitalized.

City Fire Marshal Martin Scott said a truck was delivering 300 gallons of nitric acid to an electric equipment manufacturer. The truck driver was directed to the wrong pipe, and started pumping the acid into a basement tank that already contained a quantity of hydrochloric acid.

The resulting reaction ate away part of the flange of the pumping pipe and spread fumes through a two-block area.

Accidental Rescue

NORFOLK, Va. (AP)—Seaman Garguilo Francisco accidentally fell off his ship in the Atlantic Ocean yesterday. Little over an hour later he was sort of accidentally rescued.

The Navy submarine rescue ship Kittiwake, scurrying to port with an injured diver, happened to spot Francisco bobbing in the water 43 miles off Cape Henry and took him aboard.

The Coast Guard said Francisco suffered no serious effects.

Egypt Shows Mummies

CAIRO, Egypt (AP) — Next month, for the first time in nearly 30 years, Egyptians will be able to see the mummies of some of their land's ancient rulers.

Beginning Sept. 1, Cairo Museum will open to the public the chamber containing mummies of Egyptian pharoahs. The room was closed to the public in the early 1930s on the ground that it was undignified to display bodies of past rulers in a museum.

Drastic Action

MALDEN, Mass. (AP)—Robert Bryan, 39, stood on a corner and signaled a bus to stop.

The bus went by him. Police said Bryan took a taxi, overtook and boarded the bus and punched driver Walter L. Crowley.

Crowley sought a complaint in Malden District Court yesterday charging Bryan with assault.

Costs Carriers Too

LOUISVILLE, Ky. (AP) — The four-cent postage stamp is causing trouble for the National Star Route Mail Carriers Assn.

The amount of mail they carry is about the same. But general manager L. E. Ernst told the annual convention yesterday that the group's own annual postage bill has increased $425 since higher postal rates became effective.

Peronist Strike Ends

BUENOS AIRES, Argentina (AP)—A one-day strike by 62 unions led by followers of ex-Dictator Juan D. Peron ended at midnight. Thirty-two Democratic unions and 19 pro-Communist groups had refused to join in.

The strike affected textile factories, meat packing houses, food plants and metal industries, but all seemed normal otherwise.

Dream Costs 4 Lives

MANILA (AP)—Flaviano Curitao said he dreamed that his ailing son could only be cured by a 75-year-old medicine woman in a small town in remote, rugged Zambales Province, west of Manila.

Curitao said he went to the woman for help but she refused. Angered, the man grabbed a machete and hacked the woman and three others in her house to death.

Civil War Vet Critical

HOUSTON, Tex. (AP)—Walter Williams, 116-year-old sole survivor of the Civil War armies, remained in critical condition today from effects of pneumonia.

The nation's oldest veteran, who served as a forage master with Hood's Texas Brigade in the Confederate Army, was fed through an eye-dropper last night.

3 To Die For Rape

LA GRANGE, Ga. (AP)—Three Negro men have been sentenced to die in the electric chair for the multiple rape of two young white women.

An all-male jury, including one Negro, convicted the Negroes last night after deliberating nearly five hours.

The three defendants, George Alford, 18, of Dayton, Ohio; Clifford Johnson, 22, and Brannon Epps, 24, both of La Grange, accepted sentence with the same stoical expressions they had maintained throughout the two-day trial.

Vertiplane Tests

EDWARDS AIR FORCE BASE, (AP) — The Air Force is starting tests to see if a 16½-ton vertical takeoff airplane will fly.

The X18, the nation's largest experimental vertiplane, was transported here from Moffett Air Force Base after completing 90 per cent of its ground tests. Actual flight tests won't begin until late fall.

Nikita May Inspect Military Bases If He Likes, Ike Says

GETTYSBURG, Pa. (AP) — President Eisenhower said today that Soviet Premier Nikita Khrushchev is being invited to see some military installations during his visit to the United States if he wishes.

The Soviet leader will be given a wide range of choice on the kind of installations open to him, the President told a news conference. If he does not want to see any establishments, that's all right too.

Discussing the Khrushchev visit beginning in mid-September, Eisenhower said he intends to tell the Soviet leader that U.S. bases abroad are purely defensive and threaten no one.

He also plans, Eisenhower said, to ask why Khrushchev does not permit progress in improvement of East-West relations which Eisenhower considers necessary for a summit conference.

Eisenhower said he is most anxious for Khrushchev to see the fine, small, modest homes in which Americans live, including those in such specific places as the Levittown housing development and the community around the Fairless steel plant in Pennsylvania.

Eisenhower said he would like to take Khrushchev on a flying trip around Washington, D.C., in his helicopter so Khrushchev could see the fine homes which have developed in the areas around Washington.

Khrushchev should also go into the great farming regions of this country and see farms that are run by individual free men, Eisenhower said. He added that he would like the Soviet Premier also to go into the little town where he was born — Denison, Tex. — and hear from the people there how Eisenhower worked in the early years of his life.

Eisenhower hopes his talks with Khrushchev will produce a better atmosphere between the Soviet Union and the Western powers.

On his trip to the U.S.S.R. Eisenhower said, he would like to see people and find out what they are like.

This was the first time the President ever has held a full-scale news conference outside Washington. The setting was in a gymnasium at the Hotel Gettysburg.

TWO DAYS AT WILLITS

Hub Fire Chief Back From Fighting Blaze

"It was the most beautiful sight I ever saw in my life at night—big trees blazing in the dark, and sparks falling just like a shower of stars."

That is the way Fire Chief Nello Marcucci of San Anselmo described the raging forest fire near Willits which he helped fight for two days. He returned to San Anselmo late yesterday.

There was nothing beautiful about the blackened stumps left in the wake of the blaze, though, said Marcucci. Nor was there pleasure in the two-day battle against the inferno, to which San Anselmo's civil defense fire truck was called by the state. Chief Marcucci and Fireman William Canepa took the truck to Mendocino County, where they were assisted by volunteers.

The Hub City CD truck was called first to Ukiah, where a forest and brush fire for a time threatened to engulf the city. On arrival there, however, it was dispatched on to where a series of spot fires along the roadside had merged into one great blaze about 10 miles from Willits.

Marcucci said the spot fires apparently were set from the highway as someone drove along. They were blamed "on three kids in a car," he said.

Six civil defense trucks from Northern California communities were called to join the fight—those from Napa and San Anselmo making the longest runs.

Water was supplied by 3,000-gallon tank trucks.

The San Anselmo department lost one length of hose, burned in the battle. Marcucci said it would be replaced by the state, since the truck was in service on a state call.

Phones In Telephone

TELEPHONE, Tex. (AP) — They're going to have telephones again in Telephone.

Since an ice storm broke the lines in 1952, this north Texas village has had nary a telephone.

James Whitworth, owner of an independent company, said telephone service will return to Telephone Dec. 1.

Ike Won't Act In Steel Strike

GETTYSBURG, Pa. (AP)—President Eisenhower said today he has no intention of intervening in the four-week-old steel strike unless it develops into a national emergency.

SEA SNATCHES PURSE BUT RETURNS LOOT

LAGUNA BEACH (AP)—The thieving sea has given back its loot.

Last Wednesday Shirley Azen of Hollywood fled from a large wave sweeping onto Crescent Bay beach.

The wave snatched up her purse containing a diamond and ruby wrist watch valued at $500, two diamond rings worth $600, a pair of glasses and $15 cash.

Yesterday lifeguard Myron Scott found the purse floating in the surf. Its contents were intact.

S. F. Appeals Tax Increase

SACRAMENTO (UPI) — The state Board of Equalization was asked today to overrule a two million dollar tax assessment by Tuolumne County against San Francisco.

Thomas M. O'Connor, a San Francisco public utilities counsel, charged the assessment was "illegal and discriminatory."

He admitted the Bay city had been paying a token tax for years, but objected strenuously this year when the tax suddenly was increased "by 1,600 per cent" from $145,385 per year to $2,338,400.

"We cannot allow this increase to go unchallenged," said O'Connor. "We believe this is only the beginning."

The assessment involved was for rights to Hetch-Hetchy water. Water from the project, gathered from the Yosemite Park mountain area, is fed down a large aqueduct for domestic and commercial use in San Francisco.

School In Banking

Robert R. Lollick, auditor of San Rafael's First National Bank, is studying such subjects as bank accounting, auditing and controls with 317 other banker-students from 45 states and five foreign countries at the seventh summer session of the School for Bank Auditors and Comptrollers at the University of Wisconsin.

Cubans Press Roundup Of Castro Foes

HAVANA (AP) —A small band of anti-Castro conspirators was reported still holding out in central Cuba today as government raiders continued their roundup over the country of persons suspected of plotting against Fidel Castro.

Maj. Raul Castro, brother of the prime minister and commander-in-chief of the armed forces, told an American Marine who had been accidentally caught in the dragnet that 3,000 suspects had been seized.

The report of the holdout conspirators came from Mario Kuchilan, a Cuban journalist and radio commentator close to Prime Minister Castro. Kuchilan said a small group was at large in Las Villas province in central Cuba. He gave no details.

Earlier there had been unconfirmed reports of government troops skirmishing with anti-Castro forces in this agricultural region, which is deeply concerned with the revolutionary regime's land reform program.

Kuchilan also charged that the Dominican Republic's dictator, Generalissimo Rafael Trujillo, had contributed $52,000 and a ton of arms toward the conspiracy. Kuchilan urged students and other Cubans to cable the Inter-American Foreign Ministers Conference in Santiago, Chile, demanding the expulsion of the Dominican Republic from the Organization of American States.

No date yet was set for Castro's television and radio report to the nation on the alleged conspiracy. This led to speculation that there were still some remnants to be cleaned up. But a government spokesman said Castro is about ready to take to the air again.

DENIES REPORTS

Presidential Minister Luis Buch denied Washington columnist Drew Pearson's report that Castro had been wounded last weekend.

"Prime Minister Castro is alive and in good health," Buch told newsmen last night. "He has not suffered any accidents nor has he been wounded."

Miller Park Concession Bids Sought By County

A concessionnaire is being sought by the Marin County Board of Supervisors to operate the boat launching ramp and parking lot at Miller Park on Tomales Bay.

The supervisors yesterday called for bids to be opened Sept. 1. The call for bids offers two possibilities: the prospective concessionnaire is to say what percentage of fees collected he will pay the county or what he would expect the county to pay him to operate the concession.

The last provision was inserted because there was doubt in the minds of the supervisors that the concession they are offering is a money-making proposition.

The $41,000 boat launching ramp opened July 4. An adjoining 40-car parking lot has been "pretty full" the last two weekends, reported Public Works Director Marvin W. Brigham.

In the resolution calling for bids, the supervisors specified that minimum fees of 75 cents per car or $1 for a car with trailer be charged for entry into the launching area. The concessionnaire is expected to take over operation of two portable toilets. He is required to install 10 picnic tables by next May.

He would be prohibited from selling anything now sold within a mile of his concession.

SUPERVISORS ROUNDUP

Dillon Beach Assessment Liens Voted By Board

The dispute over Dillon Beach street improvement assessments ended officially yesterday when the Marin County Board of Supervisors passed a resolution placing a lien on each piece of property for its assessment.

The $88,000 street improvement project, which is already complete, includes all but two Dillon Beach streets. The community includes about 100 permanent residents and others who own summer homes.

The board of supervisors yesterday also:

1. Agreed to continue the 24-hour breaking-in period for new employees at the county juvenile hall.

2. Decided to continue purchasing walnut office furniture made by San Quentin prisoners, but to discontinue buying "golden oak" furniture. In metal office furniture, the supervisors decided to buy only "pastel gray" until a decision is made on whether this color or "desert tan" would be used in the new civic center at Santa Venetia. The board also reaffirmed an earlier decision to buy Harter posture chairs for clerical employees.

3. Awardad an $18,142 contract to Ghilotti Brothers, Inc., of San Rafael, to resurface various Novato roads. Ghilotti Brothers submitted the lowest of seven bids.

4. Postponed decision on a letter from Welfare Director Betty Presley, who pointed out that parents of court wards who qualify for relief have liens placed on their property for institutional care of the child, whereas parents who have slightly more property and do not qualify for relief are not saddled with a lien, a situation which Miss Presley considers unfair.

5. Granted municipal court clerks a 5 per cent pay increase retroactive to July 1.

School Chief Supports Social Science Updating

SACRAMENTO (UPI)—California's highest ranking education official gave his support today to a proposal to update the teaching of history, geography and government from the first through the 12th grades.

State Superintendent of Public Instruction Roy E. Simpson, in a speech before the State Federation of Labor in San Diego, said the proposal would provide "greater emphasis on the hard core of social studies."

"Its aim is to give young people a better background for making the increasingly important decisions before us today," Simpson said.

The proposal, prepared after a five-year study which sought the views of nearly 7,000 Californians, has these main features:

1. It would formally include, at the ninth or 10th grade, a year's course on "challenges to freedom in the world: forces in Asia, Africa and the Soviet Union."

2. It would remove driver training, first aid and the so-called "adjustment" courses from the field of social studies.

3. It would emphasize current affairs, including controversial issues when necessary.

4. It would place greater stress on recent United States history.

The suggestions of the state Central Comittee on Social Studies, expected to be included soon in a formal report, must be approved by the state Board of Education and then by local school districts.

Textbook publishers already have given notice they will try to offer new texts adapted to the new courses. Up to now, education department officials say, courses mainly have been tailored to fit available texts.

Target date of the program is the fall of 1963 following the adoption of new textbooks.

Master Plan On Education Set For 1960

SAN DIEGO (UPI)—A master plan for meeting California's educational needs should be ready next year, according to University of California President Dr. Clark Kerr.

This plan, Kerr yesterday told delegates to the California Federation of Labor convention, is being prepared by the state Board of Education, University of California Board of Regents and representatives of private colleges and universities.

Kerr listed certain questions educators should try to answer in looking to future needs:

Can the state afford to pay the great cost entailed by a large-scale expansion of higher educational facilities and services?

If the state cannot bear the total cost, how many students should be eligible for state-supported higher education?

What should be the distribution of enrollment among the three parts of the system?

How should locations for new institutions be determined?

What differentiation of functions should there be in the future?

THIS SEAL HATES THE WATER

Scuba, a water-hating hair seal, tries to clamber atop a bulkhead after being taken for a short swim by Terry Bristow, 10. The two-week-old seal followed a skin diver ashore from Puget Sound 10 days ago. Since then he's created quite a problem for the Glen Bristow family of Bellevue, Wash., who took him over. Scuba will only eat from a dog dish rigged with a sponge saturated with pulverized canned salmon and goat's milk. He now weighs 21 pounds after gaining five in a week. (AP Wirephoto)

Score Of Fires Blaze In Parched California

By ASSOCIATED PRESS

Nearly 20 forest and brush fires burned in parched California today, but most were under control. More than 1,500 fire-fighters were on the lines.

The fires were spotted from San Bernardino County in the South to the Oregon border in the North.

Bucket brigades and householders with garden hoses eased the danger to the Mendocino County communities of Ukiah and Willits in the North.

In all, more than 11,000 acres were affected.

At least 10 fire-fighters were hospitalized for burns, six from the Decker Canyon 1,600-acre fire in Southern California that killed two men Monday. That fire, near Lake Elsinore, was under control.

A new fire broke out in the Two large brush and timber fires crackled in tinder-dry country in Lake County but they were remote from resort areas.

Another 1,000 acres were aflame in neighboring Napa County, north of Lake Berryessa, and 700 acres of brushland burned southeast of Knoxville.

A new fire erupted in mid-afternoon in the big Grizzly Creek area of Plumas National Forest, and raged out of control over second growth timber late last night.

Two new fires raged in thickly forested areas of Humboldt County in far Northern California. One threatened prime stands of redwoods eight miles northwest of Garberville. The other fire erupted in the extreme northwest section of the county, covering 200 acres near Orleans.

A wind-whipped brush fire spread over 150 acres near Walnut Creek and destroyed a $50,000 six-room house. Two fire-fighters suffered burns.

In the Carmel Valley a crew of 75 men battled a 75-acre brush fire.

There were numerous small fires in the Sierra foothills near Grass Valley. Aerial tankers made repeated passes over them.

S. F. Strike Authorized By Newsmen

SAN FRANCISCO (AP)—The local executive committee of the San Francisco-Oakland Newspaper Guild has been authorized by its membership to call a strike if necessary to enforce contract demands.

Units of the San Francisco Chronicle and San Francisco Examiner, morning dailies, and the afternoon News-Call Bulletin, the recently-merged afternoon paper, voted the authority 466-70 last night.

A Guild spokesman said the merger of the afternoon papers had nothing to do with the strike vote which had been scheduled before the merger was announced.

The principal demand is a 10 per cent general wage increase, modified from an original request for a $180 weekly top scale for reporters. The scale currently is $138.50.

The contract expired March 27. Guildsmen said management would be requested to resume negotiations immediately.

Does One Better

SAN DIEGO, Calif. (AP)—Signs at a used car lot heralded the dealer as the "Poor Man's Friend." Across the street, a rival dealer retaliated with signs referring to himself as "Everybody's Friend."

Woman To Hear Sentence For Forgery Sept. 8

A Terra Linda housewife will be sentenced Sept. 8 in Marin Superior Court on a charge that she forged a prescription to obtain dexedrine, a stimulant.

She faced court yesterday with five counts of forgery against her, but all but one were dropped.

Mrs. Inger Helene Kelly, 32, of 794 Del Ganado road, was arrested on the charges in May.

Sentencing is scheduled for the superior court of Judge Jordan L. Martinelli.

SUKARNO CUTS A CAPER

This might be described as taking steps for better diplomatic relations. President Sukarno of Indonesia showed Mrs. Howard Jones, wife of the U.S. ambassador, how to perform a folk dance during a lawn party at the president's palace in the mountain resort of Tjipanas.

Congress Expected To Run Into September

WASHINGTON (AP)— Congress apparently will continue its session into September. The current question is, how far into September?

Senate Democratic leader Lyndon B. Johnson of Texas said yesterday Congress will stay on the job until it passes effective legislation on labor, housing, civil rights, highways and pollution control.

Johnson wouldn't set a target date for adjournment but indicated it might take until mid-September to get all this done.

His opposite number, Senate Republican leader Everett M. Dirksen of Illinois, had a different idea. He said he hopes that "late on Saturday, Sept. 5, the members of Congress will decide they have been in Washington long enough and they will go home."

Only three days ago Johnson's right hand man, assistant Democratic leader Mike Mansfield of Montana, had still another guess—about Sept. 1.

In recent peacetime years Congress never has stayed in session into September.

Heart Assn. Gives Research Grant

Arthur Dale Riggs of Riverside, bacteriology major at the University of California at Riverside, has been awarded a summer research fellowship by the Marin County Heart Assn., it was announced this week by Dr. I. N. Tucker, president.

Riggs has chosen to do his work at U.C. at Riverside, under direction of Dr. Carlton L. Bovell, assistant professor of bacteriology.

One of the 31 students awarded fellowships this year, Riggs will work on a project of his own choice, a study of the effect of yeast extract on the autotrophic growth of micrococcus denitrificans.

Convict Admits Another Holdup

SAN FRANCISCO (UPI)—Robert J. Ashby, 35, former Fresno taxidermist, yesterday admitted another holdup which would add 20 years to his present five-year-to-life he is serving in San Quentin Prison.

Ashby pleaded guilty before U.S. Dist. Judge Louis E. Goodman to the $28,182 robbery of a Bank of America's branch in Oakland Jan. 24, 1958. Goodman set Sept. 29 for sentencing.

Authorities said Ashby was a member of a gang that staged mysterious bank and supermarket robberies netting $50,000.

Moore 3-1 Choice Over Durelle Tonight

ARCHIE MOORE skips rope in final limbering-up session for tonight's title fight.

By JACK CUDDY

MONTREAL (UPI) — Archie Moore, the ring's all-time "knockout king" and probably all-time oldest champion, defends his light heavyweight crown tonight in a return fight with Canadian Yvon Durelle, whose wild, booming hooks nearly lifted the golden lid in December.

Despite his electrifying December escape, Archie is favored at 3-1 to beat the brawny, dark-haired fisherman in his eighth defense of the 175-pound title. It's also a 3-1 bet that the bout at the Montreal Forum does not last its scheduled 15 rounds — regardless of who wins.

Each was on the floor four times in the Dec. 10 donnybrook before Moore finally knocked out the challenger from Baie Ste. Anne, N. B., in the 11th round.

That was the "Fight of the Year," last year and 12,000 are expected to pay about $175,000 tonight to see the 1959 version.

Moore, ranging in age-estimate from 42 to 45, says he'll "play it cagey" in the early rounds of their twice-postponed match tonight and try to weaken Yvon with body blows before risking the Frenchman's dynamite again in exchanges while the challenger is fresh.

But Durella, 29, says: "I'll shoot the works in the early rounds — with two good hands this time. And when I hurt him tonight, I'll finish him in a hurry. Trainer Charley Goldman has improved my left hook into a very solid punch — so I'll have a knockout in either hand this time — instead of just in the right."

When they square off at 7 p.m. (PDT), ex-heavyweight champion Jack Sharkey again will be the referee. The bout will be televised throughout the United States by ABC; but it will not be televised in Canada.

Since that turbulent December night, Durelle had one bout. He knocked out Teddy Burns in the third round at Caribou, Me., on May. 12. Moore had no fights.

Accordingly, the crafty and explosive champion, unbeaten in his last 16 starts although held to one draw, seeks his 176th victory in 206 fights. He also hopes to extend his all-time knockout record to 128. He has had six draws, and he has been stopped six times.

Durelle's 77-20-2 record includes 40 knockouts. He also had one "no-contest" affair. And he was stopped seven times.

YANKS HOT; 'MIRACLE' IN THE MAKING?

By U.P.International

Is the panic on?

Can the Yankees do it?

Maybe that sounds like those sign-off teasers they use in soap operas, but the fact is that some of those American League contenders are going to keep tuned in closely to learn how the Yanks wind up.

They ceraintly sounded like a happy, pennant-bound crew on the train that brought them back from Boston last night where they had just reeled off their sixth straight victory by beating the Red Sox, 8-5.

Some of the Yankee players were talking about the "anniversary" commemorating the start of the Giants' 1951 miracle pennant drive.

It was just eight years ago today that the Giants, 13 games back, began a 16-game winning streak and subsequently won the pennant in a playoff with the Dodgers.

"Who knows?" said Yogi Berra. "Maybe we can do it, too."

GAIN ON LEAD

The Yankees cut the margin between themselves and the first-place White Sox to 10 games when they scored six runs in the fifth inning to beat Boston yesterday.

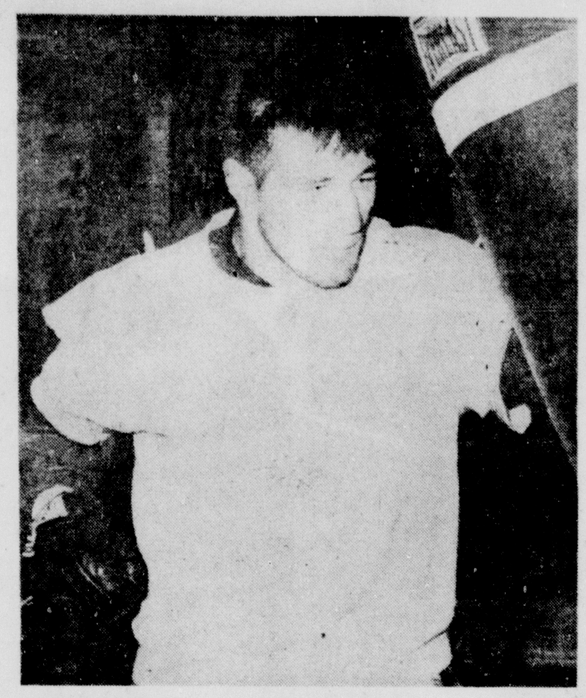
Duke Maas won his 11th game although Bobby Shantz had to bail him out in the eighth. Jerry Casale was the loser.

The Tigers routed the White Sox, 8-1, and the Athletics ended a seven-game losing streak by defeating the Indians, 7-3, in the only other scheduled A. L. games.

CHISOX STOPPED

Jim Bunning of the Tigers stopped the White Sox on eight hits and struck out eight in winning his 10th game. Al Kaline hit his 20th homer with two on in the first inning off loser Billy Pierce and Coot Veal belted his first major league homer in the fourth with the bases empty.

Kansas City routed Cleveland starter Jim (Mudcat) Grant with a five-run outburst in the first inning and then coasted to victory behind Bud Daley's nine-hit pitching. Daley, now 13-7, gave up all of the Tribe's runs in the sixth when Minnie Minoso led off with a homer and Rocky Colavito hammered his 34th homer with one on.



CHALLENGER Yvon Durelle shows grim determination as he works out on heavy bag in preparation for his shot at the light-heavyweight championship.

S. R. Nips Sausalito In Li'l Loop Tourney

Taveggia-Brusati Sports Shop, perennial champion of the San Rafael American League, edged the Sausalito Seals last night to advance to the semi-finals of the Little League District 3 Winning Team Tournament.

The San Rafael lads, defending champions of this tournament, exploded for three runs in the first inning and two more in the second, but had to hold on near the end as Sausalito staged a stirring comeback. The southern Marin champs tallied twice in each of the third and fifth innings and both teams scored once in the sixth.

Mark Maas, winning pitcher, aided his own cause by rapping out three hits. Ken Giomi had two hits while Mike Nunnally banged a two-run single for the winners. Mark Leveroni, Bob Milani and Tim Williams each had one hit to round out San Rafael's attack.

The Seals were led by Gustafson, who had three hits, including a home run, and two runs batted in. McDonald also had two RBIs for the losers and Schultz had two hits.

'Murder The Lambs' S.F. Pennant Theme

ST. LOUIS (UPI) — The San Francisco Giants, who are showing the unmistakeable earmarks of a pennant winner take a rest today to mull over their three game National League lead.

The Giants, who have been applying an old baseball axom — "Murder the Lambs" — won their third straight one-run decision last night as they nipped the St. Louis Cardinals, 5-4, in 10 innings.

The win gave the Giants a 13-3 record against the St. Louis "Lambs" who habitate seventh place in the senior loop. The Giants, who hold losing records against their two major adversaries, the Milwaukee Braves and the Los Angeles Dodgers, are obviously in first place because they consistently beat the league's lessor lights.

Against the Cincinnati Reds, the San Franciscans have walked off with 12 of 18 decisions. Other breakdowns show them 8-6 over Philadelphia, 7-6 over Chicago, and 10-7 over Pittsburgh. On the other hand, Bill Rigney's belters have lost nine of 16 to the Dodgers and 10 of eighteen to the Braves.

Another plus factor in the Giants' pennant hopes stems from the fact they have been winning the close ones.

It was Willie Kirkland — a terror at the bat for the Giants while they are on the road, but something less when in Seals Stadium—who once again provided the spark for the victory.

The big left-handed hitting slugger banged out three hits, batted in four runs, including the winning run in the top of the 10th.

Willie Mays opened the Giants' 10th with a double and later took third on a wild pitch by reliefer Lindy McDaniel. He scored when Kirkland lashed a single to right field.

In the first inning, Kirkland smashed his 19th homer of the year with Mays and Orlando Cepeda on base via walks.

The Giants, with Johnny Antonelli on the mound, held a 4-2 lead going into the ninth inning, but the Cards got to John for a pair to tie the score.

The win went to Stu Miller, who came in to replace reliefer Bud Byerly in the ninth. Miller is now 6-6 and it was the right-hander's second win in as many nights over the Cards.

Rigney had to use a juggled lineup last night what with Willie McCovey out of commission with a sore leg and Jim Davenport recovering from an operation which saw a cyst removed from one of his eyelids. Danny O'Connell took over at third and Cepeda moved back to first with Jackie Brandt playing leftfield.

Redlegs No Longer Patsies For Braves

By Associated Press

If Milwaukee doesn't win the pennant this year, blame it on the Cincinnati Reds.

The Braves whipped the Reds 18 out of 22 games in 1957 and won the championship by eight games. Last year, Milwaukee took 17 out of 22 from the Reds and again won by eight games.

It's a little different this year. Including last night's split of a double-header, the Braves have been able to win only six of the 14 games played with the Reds. Hence they're in third place today, 3½ games behind the league leading San Francisco Giants.

The Braves had to come from behind to win the second game 7-3 after Cincinnati had won the opener 4-3. The Giants needed 10 innings to defeat the St. Louis Cardinals, 5-4, and widened their lead to three games over second place Los Angeles, beaten 5-4 by the Chicago Cubs in 10 innings.

Philadelphia dropped Pittsburgh into a fourth place tie with the Cubs by defeating the Pirates 6-4.

After beating Warren Spahn for the fourth time this season, the Reds almost duplicated the feat against Lew Burdette, another old-time Cincinnati tormentor, in the second game. They led 3-1 but Joe Adcock slammed his second homer of the day and Billy Bruton followed with another four-bagger to give Burdette his 16th triumph.

Home runs by Gus Bell and Frank Robinson accounted for Spahn's 11th defeat in the opener.

Tenth inning home runs by Alvin Dark and Tony Taylor offset a run scored by Los Angeles in the top of the inning and gave relief pitcher Bill Henry his seventh triumph.

Gene Freese drove in two runs with his 16th home run and a single to hand Bob Friend his 15th defeat. Harry Anderson hit a two-run homer for the winners to help Don Cardwell notch his sixth triumph.

Park To Be Ready For World Series

SAN FRANCISCO (UPI)—The San Francisco Giants' new Candlestick Park will not be completed by World Series time, although the contractor maintains it will be ready to play in.

A stormy hearing in the mayor's office yesterday also disclosed that contractor Charles Harney has been wrangling with the non-profit San Francisco Stadium, Inc., over some 30 construction items involved in the project. Three arbitrators have been called in to resolve the problem.

Harney said the stadium will be able to hold no more than 38,000 spectators instead of the 45,000 the Giants have been counting on.

The contract called for an Aug. 28 completion date. However, Harney said the contract had been increased by 20 per cent, thus causing him to fall behind.

"We'll complete the job," he said. "Don't worry about that. And we'll probably complete it before World Series time. But not 100 per cent."

Harney said his original contract called for 11,000 cubic yards of concrete, but the figure had since risen to 21,000 cubic yards.

Giant officials complained that the concessionaires' quarters were not yet ready, but Harney said he was not responsible for finishing them beyond the rough concrete stage. He also said he would not prepare the field and put in the $45,000 backstop.

"I'm already $700,000 in the hole," he said. "That's what I claim and I feel I can prove it. Somewhere in there I'm entitled to more money."

Mayor George Christopher had this to say:

"Well, someone better find some money. The city put in five million dollars and that's all. We want that stadium and we want it in time for a World Series."

Giant Owner Horace Stoneham, stadium Architect John Bolles and City Controller Harry Ross also participated in the meeting.

Johnny's Clinches Basketball Title

Johnny's Service clinched the championship of the Drake Summer Basketball League last night with a 40-38 victory over Schaefer's Sports Shop.

Johnny's completed its schedule with six victories and no losses while Schaefer's tied for second with Redwood with a 4-2 mark. They'll battle tonight, 8 o'clock at the Drake gym, for undisputed second-place honors.

In other games last night Marin Catholic shaded San Rafael, 34-30 and Redwood won by forfeit over Tamalpais.

49ERS' HENKE INJURED, OUT FOR 10 WEEKS

A knee operation today will sideline Ed Henke, veteran defensive end of the San Francisco 49ers, for an estimated 10 weeks.

Dr. William E. O'Grady, 49er team physician, said the operation was for a ruptured cartilage in Henke's left knee. The seven-year veteran had a similar operation on his right knee five years ago.

The 30-year-old Henke, 6-foot-4, 230-pounder, was a regular last season but was regarded as No. 3 defensive end after practice got under way this season.

Coach Red Hickey moved 265-pound Bob St. Clair to defensive end, along with 245-pound Charlie Krueger. Hickey planned to try out rookies for Henke's spot.

The 49ers worked out on running offense plays and passes yesterday at Moraga in preparation for Sunday's exhibition season opener here against the Washington Redskins.

Steelers Defeat Browns, 34-20 As Fullback Stars

By Associated Press

Buddy Parker's vow to make the Pittsburgh Steelers the Eastern Division champ of the NFL is getting some impetus from an unexpected source, fullback Larry Krutko.

The former West Virginia blockbuster proved this last night when he scored one touchdown and set up the tie-breaker in the Steelers' 34-20 exhibition victory over the Cleveland Browns in Pittsburgh.

Krutko, who was released after the fourth game last year, has been the sensation of the Steelers' California, Pa., training camp. He impressed Parker so much that he gained the starting fullback assignment against the Browns.

Krutko picked up 85 yards in 11 carries last night, his biggest gain a 51-yard dash that highlighted an 80-yard fourth quarter march to snap a 20-20 tie.

Another fullback, Jimmy Brown of Cleveland, scored both his team's touchdowns. One came on a 74-yard pass play with quarterback Jim Ninowski, the other on an eight-yard run.

College Stars Plan All-Out Passing Assault Against Colts Friday Night

CHICAGO (AP)—Get ready, set and throw. That's the pattern the College All-Stars will employ against the Baltimore Colts Friday night in Soldier Field.

If it is successful, the collegians could upset the champions of the National Football League. But the oddsmakers call Baltimore a two-to-three touchdown favorite.

Only one thing is certain. The All-Stars will not gain yardage by trying to run through the line.

Last year, the Stars defeated Detroit, 35-19. Yet, they netted an unbelievable three yards rushing. But their passing, with Jim Ninowski and Bobby Mitchell on the receiving end, clicked and that was the story.

Head coach Otto Graham who masterminded the victory over the Lions, has not revealed who he'll start at quarterback. He has some dandies from which to choose.

There's Lee Grosscup of Utah. Washington State's Bobby Newman. Michigan's Bob Ptacek and Baylor's Buddy Humphrey.

In a scrimmage last week, the Stars defeated the Chicago Bears, 7-6. Grosscup engineered the touchdown drive and topped it off with a 33-yard pass to Buddy Dial of Rice. Lee kept the 99-yard march alive with several key completions.

And the Bears, like the Colts, are no slouches on defense.

But aside from defense, Baltimore has speed, size and power plus the wonderful passing of Johnny Unitas. The Colts could become one of the greatest pro teams ever assembled.

But don't sell the All-Stars short. They have looked good in workouts. They have great spirit and desire. Most of the players are headed for the pro ranks and are eager to make a good showing.

Sausalito Jr. Tennis Champ Reaches Semis

Defending Sausalito junior tennis champion Ray Grinsell Jr. has smashed his way into the semi-finals of the 1959 tournament at the Richardson Bay School courts.

Grinsell was plagued by service troubles at the outset of his match with Jonathan Dreyer, but rallied from a 2-2 deadlock to win 6-2.

Meanwhile Joe Friedman earned himself a semi-final round match with Grinsell by dumping Jonathan Dreyer's younger brother, Chris, 6-1.

Grinsell and Friedman will collide in this Saturday's feature match at 9:45 a.m.

Tournament director John Minton said semi-final play is to be completed this Saturday. Finals will then be held Aug. 22.

Last Saturday's results:

Pelicans Take Aim At Plumber Skein

Manager Eddie Vigno of the Tiburon Pelicans sent out a warning today that his team will go all out in an attempt to snap the 10-game victory streak of San Anselmo's Ongaro Plumbers when the spirited rivals clash Sunday at Tiburon's Judge Field.

Vigno said his young southern Marin stars are at a batting peak as they rolled up 20 runs in a two-game series at Reno last weekend. Saturday night they lost to the Reno Garage team, 9-8, but stormed back Sunday afternoon to even the series with a 12-7 triumph.

When informed of Tiburon's potent batting attack in the Reno series, Manager Dom Bocabella of the San Anselmo team was unruffled. Said he: "You can tell Tiburon that they will be batting against a whiz of a pitcher next."

He was referring to his ace left-hander Bobby DeRosa, who has won 10 straight games this summer, including two no-hitters.

"Also," said Boccabella, "this team of mine is the best I've ever managed. Tiburon doesn't scare me a bit."

SECOND GAME SLATED

After Sunday's game in Tiburon the rivals will play a second game at San Anselmo's Memorial Park the following Sunday.

Vigno hasn't named his starting pitcher yet, but it is believed fire-balling right-hander Fred Thurman will get the call.

Big hitters in Tiburon's victory Sunday were Eddie Vigno Jr. with a triple and two singles, Bob Sapp with a double and two singles and Hal Owens with a double.

WENSLOFF HURLS

Buzz Wensloff went the distance on the mound.

Saturday night Mike Curry, Ron Stuart and Owens were the bat stars. Curry had a triple and double, Stuart two triples and Owens a triple and two singles.

24,109 Watch Portland Tilt; PCL Record

By U.P.International

Who said interest in minor league baseball is dying?

Up Portland way, the whole town seems to be gripped by a pennant fever as hot as the one that has hit San Francisco.

They set a Pacific Coast League attendance record last night when 24,109 jammed their way into Multnomah Stadium to cheer the league-leading Beavers to a 10-5 win over the Sacramento Solons.

The turnout shattered a mark that dates back almost as far as the last Portland pennant. That was set in 1946 when 23,603 showed up for a game in San Francisco. The Beavers won their last flag in 1945.

LEAD BY TWO

Portland upped its PCL lead to two games with its win over the nose-diving Solons. Other action saw red-hot Seattle shut out Phoenix twice, 3-0 and 5-0. Salt Lake City outslugged Spokane, 10-8 and San Diego clipped Vancouver, 5-3.

Manager Tommy Heath's Beavers hopped off to a 3-0 lead on Dave Melton's three-run homer in the first inning and were never headed as they bashed 16 hits off four Sac hurlers. Marty Kutyna went all the way for Portland for his 12th win against eight setbacks.

Big Four Wooed Stanford Indians To Lend Their New Loop Some Class

CONNOLLY

No matter how you may look at it, Stanford University is unique among the schools of the Pacific Coast, and particularly when it comes to football matters.

If there is a class consciousness in such things, the sons of the Stanford Red have achieved a spot just a shade above the "common herd." They will speak to them, but in a sense they will not speak unless spoken to.

The recent death of the Pacific Coast Conference brings memories of the penalties meted out to some of the members for breaking rules in proselyting athletes or for dealing "under the table." The University of Southern California, University of California at Los Angeles, and the University of Washington were particularly hard hit. Cal at Berkeley had a few knuckles rapped.

And above the "police action," Stanford managed to keep its skirts clean and its dirty linen, if any, away from the public eye. UCLA in particular vowed to expose the Indians so that they would be penalized along with the others. They failed, miserably.

Out of the wreck of the PCC came the new Athletic Association of Western Universities, composed of USC, Cal, UCLA and Washington. Stanford, the "goody-goody" ex-member of the PCC was invited to join, and it must have taken some prodigious humble pie eating to send the invitation.

LIKE A POOR cousin who tries to associate with a rich relative to improve his credit standing, the four new members seemed to feel that the association with Stanford would lend some class to the "bad boys" of the old PCC.

It was typical of Stanford to view the invitation to join the new AAWU with a jaundiced eye. They would look things over first and join at leisure, which they finally did on July 16. Stanford Coach Jack Curtice was quoted at that time as saying, "Time heals all wounds, and I guess it wounds all heels, too."

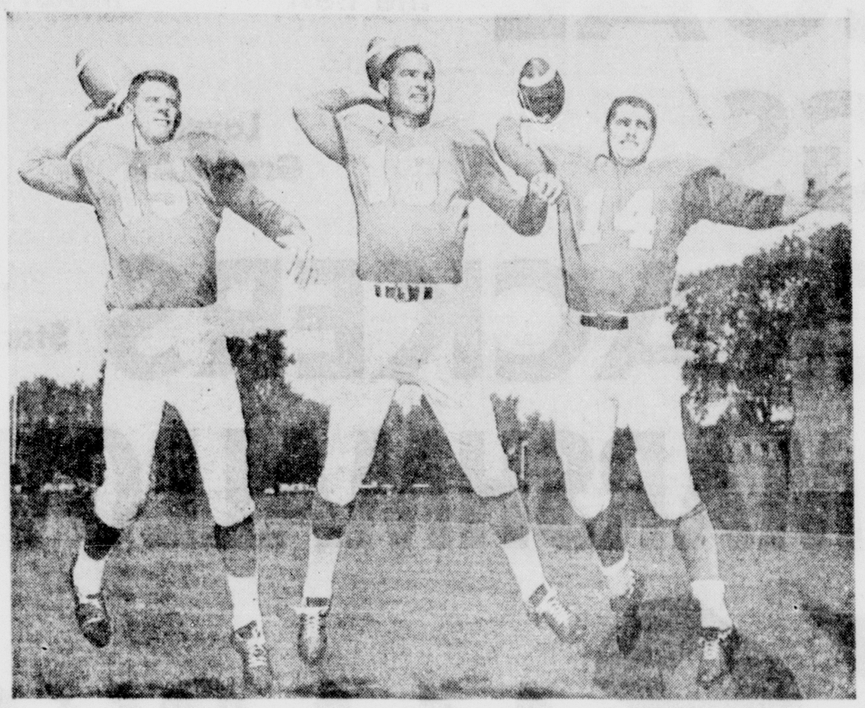
From where we sit there was little doubt that the Big Four would become the Big Five if for no other reason than the Stanford authorities were spending up to 100,000 scooties to improve their run-down press box. No school is going to make me that comfortable just to watch intramural sports!

It was the way the situation was handled that causes us to have a grudging admiration for the boys down on the farm. And it ain't easy for an old St. Mary's man, as any one with any kind of a memory can imagine!

OVER THE YEARS we have known a few Stanford boys who had a little help both financially and scholastically. But we must admit the little Indian boys have played it close to the vest in recent years, and more power to them.

There have been rumors of expansion for the AAWU into an "Airplane Conference" including such schools as Notre Dame, Pittsburgh and perhaps the service schools. Other heads in the know indicate the Oregon schools and Washington State will be invited to join in the future.

If these last named schools ARE invited, all I can say is that the old PCC members sure went to a lot of trouble to get rid of poor little Idaho, the only other former member.



THEY CAN ALL THROW STRIKES

These three gridmen, all excellent passers, will handle the quarterbacking chores for the Detroit Lions in this fall's upcoming National Football League campaign. From the left are Jerry Reichow, No. 15; Tobin Rote, No. 18, and Earl Morrall, No. 14. (AP Wirephoto)

Lions Have Lots Of 'Ifs' As They Prepare For 1959 Pigskin Campaign

DETROIT (AP) — If John Henry Johnson and Tobin Rote can come back and have good years, if the offensive line can provide protection for the passer, if the injury bug keeps its distance, then 1959 might be a pretty good year for the Detroit Lions.

Otherwise, the unpredictable Detroiters may be headed for another second division disaster in the Western Division of the National Football League.

The Lions are an "iffy" club and Coach George Wilson, though a confessed optimist, is the first to admit it.

"We have the kind of club that could go either way," he explained. "We lost quite a few men but we have a good bunch of aggressive sophomores. And we like our rookie crop, especially some of those big linemen and fullback Nick Pietrosante."

Wilson is inclined to believe the "ifs" will be with his club.

Indications are that the Lions, who had a shabby 4-7-1 record last year, are blessed with fine ends and a good defense. Big question marks in camp now are the offensive line and the scoring punch, or lack of it.

Rote, 31-year-old veteran of nine NFL campaigns, was offstride last season after taking over the No. 1 quarterback spot by himself when the club dealt off Bobby Layne to Pittsburgh. Rote said his trouble stemmed from an aching shoulder. Off-season surgery repaired the damage and Rote is confident of a good season. Challenging him for the job are Earl Morral and Jerry Reichow.

The Lions' ground offense was one of the league's weakest last season. Johnson hobbled around all year with an assortment of injuries and the rest of the runners were so ineffective that Rote himself was the club's leading ground gainer with 351 yards gained.

Pietrosante, a big rookie from Notre Dame, may be the power runner the Lions have been seeking. If he proves he can do the job at fullback, Wilson may move Johnson to halfback. Wilson already announced that Hopalong Cassady, used mainly as a receiver last season, will be called upon for more running.

Machen Wins Easy Nod Over Sawyer In Fresno Bout

FRESNO (AP)—Fourth-ranked heavyweight Eddie Machen decked Garvin Sawyer of New York three times last night and won a 10-round bout 100-89 on the card of Referee Frank Manfredo, the sole official.

Machen, of Portland and Redding, weighed 194¼ to Sawyer's 195.

Machen dropped the New York fighter for an eight-count in the eighth round and twice for nine-counts in the ninth round.

Ben Medina, 141¾, of Fresno cut short a companion 10-rounder by stopping Edgar Jones, 143, Merced, in the third.

Mill Valley Golf Tournament To Start August 29

Qualifying rounds for the annual Mill Valley Amateur Golf Tournament have been set for Aug. 29 through Sept. 7 with first rounds of match play slated Sept. 13, it was announced today by Malcolm Brown, professional at the Mill Valley municipal course.

Brown said he expects more than 150 entries for the popular tournament. Del Taylor of Corte Madera is the defending champion.

Souchak Slates Golfing Vacation

DETROIT (AP) — Burly Mike Souchak, who dropped out of the 1959 professional golf tour for three weeks earlier this year to lose some weight, says he plans another vacation after the Motor City Open.

The Grossinger, N.Y., pro, considered among the favorites at the tournament starting here tomorrow, is stepping down at least until September. "I intended to quit a week ago," Souchak said, "but I promised I'd come to this tournament."

WHO CAN RESIST a steaming piece of tender roast beef? It forms a welcome change in the hamburger and barbecue chain of summer meals.

Break Summer Cold-Cut Route With Juicy Roast Beef Meal

High contender for favorite meals is a roast beef dinner. Tender, juicy slices of roast beef are considered finest eating by meat lovers everywhere.

Serve roast beef with whipped potatoes and a cream gravy made from the drippings, buttered peas and corn with pimiento strip garnish, and an orange and cream cheese stuffed prune salad, and you'll have a dinner menu worth repeating.

Now's the time to serve roast beef — there's a lot of quality beef on the market these days. A rib roast of beef, either with bone or boned and rolled, can be purchased in the size to fit your needs. For best roasting, buy at least a 2 rib bone roast, or about 4 pounds. High quality rump roasts can be roasted also.

When buying a beef roast, look for these qualities:

1. A good covering of fat over the meat and streaks of fat throughout the lean.

2. A white or creamy fat color and a dull red lean color, especially if the meat has been aged.

COOKING ROAST BEEF

To prepare a standing rib roast, place it fat side up in a shallow pan, using the bones as a natural rack. Use a rack in the bottom of the pan for a rump or rolled roast. Insert a roast meat thermometer into the center of the meat and roast in a 325° oven. There is no need for adding water or covering the pan.

Here is a time schedule for roast beef:

Rare, 22-26 minutes per pound, 140 degrees on meat thermometer.

Medium, 26-30 minutes per pound, 160 degrees on thermometer.

Well-done, 33-35 minutes per pound, 170 degrees on thermometer.

Ice Cream, Coffee Combine In Cool August Pick-Me-Up

We've known for a long time that ice cream in a dish and coffee over ice in a tall glass offered cooling summer refreshment. Coffee may be brewed or instantly made. To preserve true coffee flavor all the way use coffee ice cubes.

COFFEE ICE CREAM SODA

For each serving, combine ½ cup double-strength coffee and 2 tablespoons maple-blended syrup in a tall glass; mix well. Add 1 scoop ice cream and a small amount of chilled club soda, ginger ale, root beer or tonic; stir well. Slowly add additional carbonated beverage, filling glass about ¾ full. Top with another scoop of ice cream.

COFFEE MILK SHAKE

For each serving, combine ⅓ cup double-strength coffee, 1 tablespoon maple-blended syrup, ½ cup milk and 1 medium scoop vanilla ice cream in a blender or beat thoroughly with an egg beater. Pour into tall glasses.

ICED MAPLE COFFEE

For each serving, whip 2 tablespoons whipping cream. Combine 1 cup coffee and 2 tablespoons maple-blended syrup in a tall glass; mix well. Add 2 coffee ice cubes and top with whipped cream.

COFFEE SCOTCH REFRESHER

For each 3 servings, combine 1 package butterscotch instant pudding mix, 3 cups chilled coffee and 1 cup cold milk in a blender or mix thoroughly with an egg beater in a bowl. Stir in ¼ cup maple-blended syrup. Serve in tall glasses with a twist of lemon peel.

A GALAXY OF tall, dark and handsome coffee coolers that rely on maple-blended syrup for sweeteners are a pleasant way to break the warm afternoons of August in Marin. Among the combinations are Ice Cream Coffee Soda, Coffee Milk Shake, Iced Maple Coffee and, in back, Coffescotch Refresher.

TUNA FORMS THE BASIS

Salad Itself Can Become The Full Meal—Try These

If you think that no meal is complete without a salad, you might also give pause to the thought that a salad might be a meal. With the protein food value and heartiness of tuna in a salad, man-sized appetites are satisfied.

Here are two recipes for a luncheon or supper menu where tuna salad will be featured as the mainstay.

MOLDED TUNA SALAD

- 1 envelope unflavored gelatine
- ¾ cup cold water
- ½ teaspoon salt
- 2 tablespoons lemon juice
- ¼ teaspoon Tabasco
- ¾ cup mayonnaise or salad dressing
- 1 cup finely diced celery
- ¼ cup finely diced green pepper
- ¼ cup chopped pimiento
- 1 can (6½ or 7 ounces) tuna
- 2 cans (6½ or 7 ounces each) tuna
- 4 hard cooked eggs
- 2 tablespoons chopped chives

Sprinkle gelatine on cold water in saucepan to soften. Place over low heat, stirring constantly, until gelatine is dissolved. Remove from heat; stir in salt, lemon juice and Tabasco. Cool.

Gradually stir into mayonnaise until blended. Mix in remaining ingredients. Turn into a 3-cup mold or individual molds. Chill until firm. Unmold on salad greens. Yield: 6 servings.

TUNA MONTEREY

1 head lettuce

Have ingredients chilled. Shred lettuce and arrange a layer on each of 4 plates. Mound tuna on top of lettuce. Put hard cooked eggs through a sieve, sprinkle around tuna. Sprinkle chopped chives on top. To serve spoon *Chili Creme generously over tuna. Yield: 4 servings.

***CHILI CREME**

- 1 cup mayonnaise
- ¼ cup chili sauce
- ¼ cup finely chopped onion
- 1 tablespoon finely chopped parsley
- ⅛ teaspoon Tabasco
- 1 teaspoon lemon juice
- ⅓ cup heavy cream

Combine mayonnaise, chili sauce, onion, parsley, Tabasco and lemon juice. Whip cream until stiff, fold into seasoned mayonnaise. Yield: 2 cups.

Timely Tips

Here are some facts worth remembering: (1) Freezing meat does not affect tenderness. (2) a roast should never be covered in cooking—when covered it becomes a pot-roast (3) All meat should be cooked at a low temperature.

When Father Comes Home With Some Fish, Try The Barbecue

By VIRGINIA PORTER

Fish cooked outdoors is special. So, when father comes home with fish—that he caught or bought—cook it on your barbecue.

Most fish is low in fat and apt to stick to the grill unless it is well greased. If your barbecue is equipped with a spit use it far fish. Fish is also easy to handle and turn if you use a wire toasting rack or a spit basket.

Fish is a delicate food, both in flavor and texture. It needs careful seasoning and handling. Mildly flavored barbecue sauces are used on fish, and cooking times are very short in order to keep the true flavor and tenderness. Long cooking toughens fish.

BARBECUED WHOLE FISH

Use the spit if the fish weighs 3 pounds or more. Close the cavity with skewers or lace it together with string. Place fish on spit and brush frequently with lemon-parsley-butter (melted butter or margarine blended with lemon juice and minced parsley).

The fish will be done in about 20 to 40 minutes—depending on the size of fish, the heating quality of your fire, and the distance fish is from charcoal. Season with salt and pepper just before serving.

For small, whole fish use a well oiled spit basket or wire toasting rack. The small fish will barbecue in 10 to 15 minutes. Baste, during cooking, with lemon-parsley butter. Just before serving season with salt and pepper.

BARBECUED FISH FILLETS

Place fillets skin-side down on grill. Brush fish frequently with herb-seasoned butter (butter, lemon juice and marjoram) and barbecue without turning, for about 10 minutes. Season with salt and pepper just before serving.

SKEWERED SHRIMP

Peel green (uncooked) shrimp —leave tail on. String shrimp on skewers. Brush with your favorite barbecue sauce. Broil over hot coals for 8 to 10 minutes.

FOILED SHRIMP

Season butter or margarine with garlic, salt, pepper and parsley. Prepare "envelopes" of heavy duty aluminum foil to use as individual cooking "pans." Into each "pan" place about ⅓ pound of peeled green shrimp.

Season each package with the prepared garlic butter. Close the foil package tightly to seal. Knock the gray ash off the charcoal, place packages of shrimp directly on charcoal. Barbecue about 5 minutes.

Tuna Takes To Curry For Meal

The Far Eastern flavor of curry blends with that of tuna and eggs for a main dish of elegance. The spicy tuna mixture is served with rice and such accompaniments as raisins, flaked coconut and chutney.

Tuna is a treasure in this curry main dish for its nutritive values and because it is so easy to use even in fancy cookery.

- 2 cans (6½ or 7 ounces each) tuna
- 1 medium onion, chopped
- ½ cup finely diced celery
- 1 apple, pared, cored and chopped
- 5 tablespoons flour
- ½ teaspoon sugar
- ¼ teaspoon salt
- 2 teaspoons curry powder
- 2½ cups milk
- 2 hard-cooked eggs, quartered
- 3 to 4 cups hot cooked rice

Drain oil from tuna into sauce-pan. Add onion, celery and chopped apple. Cook until onion is tender, but not brown. Add flour, sugar, salt and curry powder; stir to make a paste.

Add milk and cook, stirring constantly, until mixture thickens and comes to a boil. Add tuna to sauce with eggs. Heat to serving temperature.

Serve with rice.

If desired, other accompaniments such as chutney, raisins, shredded coconut, chopped hard-cooked egg and crumbled crisp bacon may be served with the curry. Yield: 4 to 6 servings.

Summer Sandwich

You might consider this a bonus idea in preparing sandwiches. Canned luncheon meat again comes forth to be included in this suggestion.

Just place a 12-ounce can of luncheon meat and 1 banana in a mixing bowl. Break into pieces with a fork. Add¼ cup salad dressing and lemon juice. Beat until well blended.

Meat Loaf Recipe

Every cook has her favorite meat loaf recipe. Here's one that's different and may become your favorite. Combine 2 pounds ground beef, ½ cup chopped celery, ½ cup chopped green pepper, ½ chopped onion; salt, pepper, ground dill seed to taste, 1 cup fine bread crumbs, 1 can condensed cream of mushroom soup. Bake in loaf pan at 350 degrees in oven for an hour and a quarter.

Worth Remembering

Lamb is always served piping hot or cold . . . never lukewarm. Usually, lamb roasts and chops are served either medium or well done.

Lesson For Dad

The man of the house usually prides himself in being the master carver. However, does he realize that all meats are cut across the grain except steaks?

Be Sure You Use Correct Method For Pear Canning

The recommended method for canning pears is the raw fruit or cold pack method. Select firm, ripe pears that are free from bruises. Prepare ahead of time enough syrup to fill the jars.

Pints require approximately three-fourths cup syrup while quarts require about one and one-fourth cups syrup. For a 40 per cent syrup which gives a fairly sweet product, use one and one-half parts of sugar to two parts of water. Heat until sugar is dissolved.

To prepare jars, wash with hot, soapy water and rinse thoroughly. Pack pear halves cut side down into clean, hot jars to within one inch of top of jar. Pour hot syrup over pears to within one-half inch of top of jar to allow for expansion during the processing. Work out air bubbles with clean knife inserted inside jar. Wipe rim of jar with clean, damp cloth and seal according to the manufacturer's directions.

Lower jars into boiling water bath so that water covers jars by at least one inch. Process for 20 minutes, counting time when water returns to full rolling boil. Remove jars from canner and cool, well separated and away from drafts. Check for seal before storing.

Mocha Cookie Prize Recipe For The Cook

Are summer desserts at tax on your meal management abilities?

One suggestion comes from home economist Reba Staggs who endorses these Mocha Cookies. The ingredients can be combined in advance, shaped into a roll and placed in the refrigerator to chill.

Just slice the chilled cooky dough, place thin slices on a greased cooky sheet and bake in a moderate oven (375 degrees F.) for 10 to 12 minutes. Set your kitchen timer so there is no need for you to patrol the range.

- 2½ cups sifted enriched flour
- 2 tablespoons instant coffee
- ¼ teaspoon baking soda
- ¼ teaspoon baking powder
- ¾ teaspoon salt
- ⅔ cup lard
- 1 cup brown sugar, packed
- 1 egg
- 2 tablespoons water
- 1 teaspoon vanilla
- ½ cup chopped pecans

Sift together flour, coffee, soda, baking powder and salt. Cream lard and sugar. Beat an egg, water and vanilla. Add sifted ingredients to creamed mixture and mix well. Stir in chopped pecans. Shape into rolls about 1½ inches in diameter. Wrap in waxed paper and chill well. Slice thinly and bake on greased cooky sheets in a moderate oven (375 F.) for 10 to 12 minutes. Yield: 5 to 6 dozen cookies.

QUICKIE SUPPER comes with this recipe for Salmon Fritters. You simply cook fritters three or four minutes and the sauce three minutes and the dish is done.

You Need Not Fritter Away Day By Long Hours At Stove

Fritters cook for a total of three to four minutes, and are served with a creamy cheese sauce that takes only three minutes to cook. The better blending qualities of evaporated milk make possible the ease of preparation. Evaporated milk is heated with salt for two minutes . . . grated cheese is added and melts in one short minute.

The use of evaporated milk adds extra milk nutrients to daily meals. Since evaporated milk is a concentrated form of milk, twice the amount of nutrients in fresh whole milk are supplied.

SALMON FRITTERS WITH CHEESE SAUCE
(Makes about 6 servings)

2 cups all-purpose biscuit mix
1 teaspoon seasoned salt
1 egg
⅔ cup (small can) undiluted evaporated milk
2 tablespoons lemon juice
1¾ cups (1 1-pound can) salmon, drained
¼ cup finely chopped onion
¼ cup chopped canned pimiento
2 tablespoons chopped parsley
Fat or oil for frying

Blend biscuit mix, seasoned salt, egg, evaporated milk and lemon juice in bowl. Add salmon, onion, pimiento and parsley and blend well. Drop from teaspoon into deep hot fat (375° F.), or into ½ inch hot fat in frying pan. Fry 1½ to 2 minutes. Turn and fry on other side. Drain on absorbent paper. Serve at once with 3-Minute Cheese Sauce. (recipe at bottom).

3-MINUTE CHEESE SAUCE

1⅔ cups (large can) undiluted evaporated milk
½ teaspoon salt
2 cups (about 8 ounces) grated process American cheese

Simmer evaporated milk and salt in saucepan over low heat to just below boiling (about 2 minutes). Add cheese. Stir until cheese melts (about 1 minute longer).

Broiling Mathematics

In broiling a 1-inch thick chop or steak place the meat 2 to 3 inches from the heat; a 2-inch chop or steak should be placed 3 to 5 inches from the heat.

Ham And Turkey Princess Is Sandwich Thats Super

12 slices rye bread, toasted
Butter or margarine
12 slices breast of turkey (12 ounces)
12 slices baked ham (12 ounces)
⅓ cup enriched flour
2 teaspoons dry mustard
½ teaspoon Worcestershire sauce
2 cups beer, chicken broth, or milk
6 ounces Cheddar cheese, diced
Cooked green asparagus spears
Paprika

Spread toast with butter or margarine. Cut 6 slices diagonally into halves. Place 1 whole toast slice, with 2 halves on opposite sides, on round shirred egg dishes or individual plates. For each sandwich, alternately overlap 2 slices turkey and 2 slices ham. In saucepan, combine flour, mustard, Worcestershire sauce, and beer, broth, or milk. Cook over medium heat until thickened, stirring constantly. Reduce heat to low and blend in cheese, stirring until cheese is melted. Arrange asparagus over turkey and ham, about 3 spears per sandwich. Pour cheese sauce over all. Sprinkle lightly with paprika.
Makes 6 sandwiches.

Lamb Adds Variety

Turn breakfasts into something special by designing and serving new menu patterns. This can be done by building this first meal of the day around lamb.

What lamb cuts are suitable for breakfast service? You might think of lamb chops or broiled lamb patties served with eggs prepared as you like them.

Let's Have Another Go 'Round At Charcoal-Broil Brochette

Brochettes are traditionally prepared from the most choice and costly cuts, but with meat tenderizer you may utilize many less tender meats.

Here are the basic directions for barbecuing en brochette with variations for Syrian lamb shish kebab, Javanese pork sasaties and brochette of beef, alla Romana.

BASIC DIRECTIONS
(6 servings)

3 pounds boned lamb or pork shoulder or beef chuck, cut in 1½ inch cubes.
Meat Tenderizer

Sprinkle meat cubes evenly on all surfaces with seasoned meat tenderizer, as you would salt; do not add salt. Pierce cubes deeply on all surfaces with sharp fork to insure penetration and seal in juices. Prepare sauce given in recipe variation; pour over meat and refrigerate overnight. See that each cube is covered with sauce.

Drain sauce and reserve for basting. Alternate meat with other foods on skewers; do not overcrowd, allowing for even browning. When using bacon strips, weave in and out on skewers. Barbecue on grill set 4 inches above hot charcoals, turning and basting often. Follow our grilling times faithfully; the meat tenderizer cuts cooking—and shrinkage — by 25 per cent.

An added treat is to put canned pineapple chunks on the skewer about 3 minutes before serving. You may also set skewers in broiler or use any rotisserie spit.

RECIPE VARIATIONS:

SYRIAN LAMB SHISH KEBAB

Combine on skewers: lamb cubes prepared with meat tenderizer, plus:
18 small or pearl onions
18 small or cherry tomatoes
Combine for sauce:
½ cup salad oil
Juice of two lemons
¼ cup honey
½ cup dry white wine
2 cloves garlic, minced
¼ teaspoon thyme
Cracked pepper, to taste

Grill 12 to 15 minutes total time for rare to medium lamb.

Syrian accompaniments for the shish kebabs are a casserole of rice pilaff or brown rice, cooked to the color of golden wheat in hot oil with pine nuts; a salad of summer greens with finely chopped mint and parsley, dressed with oil, lemon juice and black pepper; round loaves of Syrian bread or potato bread. For dessert, coffee and pistachio ice cream with thinly sliced spice or honey cake.

JAVANESE PORK SASATIES

Combine on skewers: pork cubes, prepared with meat tenderizer, plus:
18 small tart plums or prunes, pitted and stuffed with chutney.

Combine for Javanese Curry Sauce:
1 #2 can pineapple juice
¼ cup vinegar
¼ cup honey
1 large clove garlic, crushed
or—
1-2 tablespoons ground ginger
1 one-inch piece fresh ginger root grated
1-2 tablespoons curry powder

Grill until thoroughly well done—20 to 25 minutes. The meat tenderizer will keep the pork succulent.

Serve the sasaties with steamed rice, small rolls brushed with peanut butter and crisped on the grill, and a frozen-fruit salad. For dessert, coconut cake and iced coffee.

BEEF ALLA ROMANA

Combine on skewers: beef cubes, prepared with meat tenderizer, plus:
18 large mushroom caps
3-4 leeks, cut in chunks
3-4 zucchini squash, parboiled and cut in chunks
6 strips of bacon
Combine for Italian Wine Sauce:
½ cup olive oil
⅓ cup lemon juice
1 tablespoon wine vinegar
1 clove garlic, minced
¼ teaspoon rosemary
⅛ teaspoon oregano
½ teaspoon meat tenderizer
1 tablespoon finely chopped parsley
¼ cup honey
½ cup dry white wine

Grill 8 to 10 minutes for rare to medium beef.

Serve the beef skewers with thin spaghetti (spaghettini) in a sauce of butter, garlic and parsley; cherry stone tomatoes, hot Italian bread grilled with grated Parmesan cheese.

For dessert, the season's peaches, chilled in sweet Italian wine, and Italian coffee. Try cappuccino. Four equal parts espresso and very hot, but not boiling, milk simultaneously into dinner-size cups; muddle with a cinnamon stick and top with nutmeg.

TO THE list of festivals celebrated throughout the United States can be added another, the Scallop Festival held in New Bedford, Massachusetts. Dip scallops in milk then in fine dry bread crumbs season with salt and pepper. Cover the scallops evenly, shaking off excess crumbs. Pour enough corn oil into a kettle to fill it ⅓ full. Heat oil to 375 degrees. Add scallops to the hot oil slowly to prevent excessive lowering of the temperature. Fry only a few at a time and fry for only 2 to 3 minutes. Scallops cook very quickly. Drain and keep warm until all scallops are fried. Serve with lemon wedges and tartar sauce.

BARBARA BREYER GIVES DETAILS FOR HER WEDDING ON SEPT. 13

Barbara Clair Breyer, daughter of Mr. and Mrs. Stanley G. Breyer of Kent Woodlands, who will soon become the bride of Bruce Drown Baker of San Francisco, has announced the details for her wedding.

The ceremony will take place on Sept. 13 at 3:30 o'clock in St. John's Episcopal Church in Ross.

Barbara has asked a Pi Beta Sorority sister at Cal, Jane Watrous, to be maid of honor, and her sister, Joan Breyer, will be junior bridesmaid.

Bridesmaids will be Jan Dumm of Sacramento; Laurice Mellana and Deborah Dane.

John Baker will serve his brother as best man and ushers will include Cleve Baker, Dick Breyer, Douglas Moore, Sherman Hall and Charles Jenkins.

Bruce is the son of Mr. and Mrs. Harry L. Baker Jr. of San Francisco.

The reception will follow the ceremony at the Breyer home. Mr. and Mrs. Wintrop Watrous will host the rehearsal dinner in their Kentfield home.

New Decorating Trend: Two Rugs In The Room

By VIVIAN BROWN

If you are a two-rug-in-the-room woman, you've got your finger on the pulse of good decorating.

The current trend in home furnishings is to make life easier for the homemaker as we put charm without clutter into home decor.

Two rugs offer many advantages . . .

It is easier to roll up a pair of rugs for cleaning, than to try to roll up one big size carpet.

It can give the effect of making a room look larger or if furniture is properly placed it may give the effect of dividing a room into two sections.

Two rugs cut down on the yardage requirements of one large rug. The rugs may be used together whenever you wish a change of scene. It gives you an opportunity to display your hard flooring.

They may be used easily in smaller rooms when you move to new quarters or change the decor in the room.

A small rug can give the effect of coziness used in a particular area of a room such as in a tete-a-tete section where sofa or love seat and arm chairs are grouped.

There is great emphasis on texture in the new crop of soft floor coverings. Many of the cotton ridged rugs give the effect of chenille texture with rows closely woven into acetate yarns. There is a wide variety of color effects available from the brilliantly matched colors to the softer shades of olive green and turquoise.

YLI Holds Installation

At a recent meeting of St. Anselm's Institute No. 98, YLI of San Anselmo, new officers were installed by Janet Gori of Sebastopol, institute deputy. Mrs. Wesley Phelps was installed president succeeding Mrs. Kenneth Wilson. Others inducted were Miss Kathleen Doyle, first vice president; Mrs. Walter Milani, second vice president; Mrs. John Larrabure, marshal; Mrs. Jack Benz, recording secretary; Mrs. Edward Rancke, financial secretary; Mrs. R. A. Bettencourt, treasurer; Mrs. Alfred Dallara and Mrs. James Kealy, sentinels; Mrs. John Egisti, organist, and Mesdames Lawrence Freeberg, Thomas O'Toole, Clarence Curtin, Frank Wilson and Miss Loretto O'Rourke, trustees.

On the installing team from Sebastopol, assisting the deputy, were Frances Monez, Ann Lunceford, bearers of the Cross and flag; and Mary Cypher, installing marshal.

Following the impressive rites, members and guests were served refreshments from a beautifully appointed table with Mrs. Eric Besozzi pouring. A statue of the Madonna was spotlighted on the stage and it was banked with pastel colored zinnias. Chairman of the evening was Mrs. Jack Benz, who was assisted by Mrs. Edward Rancke, co-chairman, and Mesdames Joseph Cordone, Louis Lucarotti, Laurie Antolini, Gerald Cervelli, Robert Lee, Thomas O'Toole, Mark Walker, William Doyle and the Misses Norma Caletti and Rose Mary Guasco.

Elaine Hendriks Engaged To Wed Robert E. Berry

Mr. and Mrs. John Hendriks of Novato are announcing the engagement of their daughter, Elaine Marie, to Robert Earl Berry, son of Mr. and Mrs. William Chord of San Rafael.

The bride-elect attended Novato High School and is the sister of Mrs. Vernon Pechar of Hayward, and Therese, Mary, Janice and Johnny Hendriks of Novato. Mrs. Nell Costello of San Mateo is her grandmother.

The future benedict was graduated from Sir Francis Drake High School and attended College of Marin. He is an insurance agent with Provident Life and Accident Insurance Co., in San Rafael. Jerry Berry and Stanley Liljenquist of San Rafael are his brothers. Mrs. Mary La Fon of Beaumont is his grandmother.

Plans are being made for a wedding in April, 1960.

Larkspur Food Sale

Rosarium Institute No. 175 YLI will hold a food sale on Saturday at the Golden Gate Cleaners in Larkspur starting at 7:45 a.m. On sale will be homemade rolls, pies, cakes and a variety of foods to supplement the weekend meals. Mrs. George Hockerson, chairman, is being assisted by Mesdames Frank Andrich, Charles Keppel, Donald Skidmore and William Purtell.

Ray Eubanks To Attend Convention

Flying by jet Saturday to Los Angeles will be a Larkspur couple, Mr. and Mrs. Ray Eubanks.

Occasion for the trip to the southern city is the 46th annual convention of the Florists' Telegraph Delivery Association which Mrs. Eubanks, Larkspur floral decorator known professionally as Katherine Eubanks, will attend. The convention is scheduled for Aug. 16-20 a the Statler-Hilton.

Mrs. Eubanks is one of two women and three Californians chosen for the honor of demonstrating original designs before some 12,000 fellow florists. The other participants will be from Oakland, San Mateo, New York City, Missouri and Florida.

It will be Mrs. Eubanks' second appearance at a major professional design school. Two years ago, she was one of five who took part in demonstrations at the state florists' convention in Honolulu.

Well known in Marin for her demonstrations and teaching in the fields of floral design, Mrs. Eubanks is a frequent judge at flower shows all over the Bay Area. She holds 13 first-award ribbons from the Marin Art and Garden Fair.

Folk Dancing Enjoyed By Delegate

Reports from Chiemsee, Germany, prove that it wasn't all work and no play for the 94 teen-age delegates from five nations at the Fifth Annual Junior American Red Cross Training Center.

In addition to the workshops and discussion groups conducted from July 29 through Aug. 7, there were many recreational opportunities.

Among those taking the training and enjoying music, singing and folk dancing in the beautiful lake country in the shadow of the Bavarian Alps was Judith Boss of San Rafael, 16-year-old Dominican High School senior.

Purpose of the training center is to prepare selected American high school students for better leadership in Junior Red Cross School activities and to build better understanding among youth of the various countries having mutual interest in Red Cross ideals, ideas, programs and services.

There will be a plant table, prizes and refreshments.

Mrs. Alta Lewis Feted At Party

Mrs. Alta Lewis, a pioneer resident of Marin City, has returned to her former home in Shreveport, La.

Before leaving, Mrs. Lewis was honored by the Missionary Society Fellowship Church at a farewell party held at the home of Mrs. Alma Randolph.

The honoree received many gifts and tokens from members of the society and other friends.

Pearls Are Not For School

By DON LOPER

On the average of a dozen times a week, I am asked to suggest costumes for the younger set, especially those which can be worn to school or to informal social functions.

"The same code applies for the smartest women in the world as for schoolgirls," I reply, "and that is the rule of simplicity."

Youth is its own beauty, and it does not need excessive adornment. There is no need to gild the lily. For most school costumes, I recommend utter simplicity almost to the point of a uniform.

The best suggestions I can make are the use of the shirtmaker and the sweater and skirt. The sweater should be neither a sloppy Joe nor form-hugging. There's a happy in-between compromise, in soft pastel shades.

Wear only gold jewelry, no earrings. Only light lipstick accenting the scrubbed look should be your make-up.

Leather Accessories For Fall Strictly Mind Their T's, U's

Tailored or ultra-feminine, the woman who gets the most mileage out of her clothes is the one who knows how to combine accessories cleverly, sometimes with subtlety, sometimes with daring. This fall, she'll have a field day with the hundreds and hundreds of new handbags, gloves and belts in sleek suedes, luxurious calf and kidskin, and soft crushed and grained leathers.

HANDBAGS

The sizes and shapes of the new bags are unlimited. Rounded pouch, horizontal, satchel, vagabond, squat models, elongated, barrel, and horizontal types, ranging from pint-sized to travel bag dimensions. The shoulder bag promises to enjoy a big revival, with many bags featuring adjustable straps so that you can wear them on your arm if you like.

Supple calf leather handbags range from oversize front-pocketed afternoon bags in smooth or grained surfaces to gold, silver and white luster calf evening clutches. Shoppers and theatre-goers will have a wide choice of tailored American calf bags in self-standing, flat or pyramid shapes, large drawstring casual bags and elongated envelope types in both hard and soft construction. Self-calf handles share the honors with hard luggage handles and brass semi-circles.

Soft cowhides, smooth or grained, are popular in both convertible shoulder bags and large and small pouches. Silky suede leathers, luxurious to the touch, are used in clutches, pouches, satchels and envelope bags for dress and casual ensembles.

Leather handbag hues are cued to shoes. This means a rich harvest of autumnal browns—from bone and beige suedes and smooth leathers to deep bronze-brown patent and luster leathers. Following closely will be wine reds, deep blues akin to navy, woodland and olive greens, and a host of grays from greige—a grayish beige—to gunmetal and charcoal.

Exotic leathers, such as alligator, lizard, snake and ostrich or ostrich-embossed calf, are featured in new high-fashion hues notably in the black, brown, navy, green and rose families. Coordinated with the popular new browns and grays in leather shoes are reptile leather bags in new "surprise" colors such as nut, ginger, charcoal and pearl.

GLOVES

Tiny buttons, self-bows and the softest supple leathers make the fall gloves ideal handmaidens to that tailored femininity you want. The vivid colors and smooth and textured surfaces of the new suede, kid and capeskin leather gloves will put the finishing touch on your new tailored tweed suit or light topcoat—or put new life into a last-year's ensemble.

The new leather gloves add emphasis to the more rounded, feminine silhouette of apparel this fall. You'll see scalloped four-and six-button models in rich autmun browns, greens, oranges and other harvets hues with delicately contrasting white kid weaves through the cuff. Often the cuff will dip at an unusual angle, or flare slightly at the outside.

Among the scores of colors you'll see white, pink and at least half a dozen blues—from deep flight blue to grayed wedgewood—willow green and forest green, browns, ranging from nut to rust in kid and cape leathers. Satin-napped suedes go from sophisticated, practical black to cream, beige and the new "greige," which is grayish beige.

For formal wear there are smooth leather shorties and slip-ons decorated with tiny pearls, sometimes combined with gold and silver, serving as cuff detail. On longer gloves up to 20 and 22 button lengths the lush leather may be dotted with dazzling swirls of rhinestones, beadwork of floral embroidery.

BELTS

Women who want to make friends with their figures will gather a wardrobe of leather belts coordinated in color and mood to their leather handbags, gloves and shoes.

Children, Doctors Both Dread Shots

By DOROTHY V. WHIPPLE, M.D.

It goes without saying that youngsters don't like shots. And believe it or not, doctors don't like to give shots to children. Doctors don't like to hurt youngsters. They give shots only because they know the child will benefit from the medicine poked into him this way.

Most shots hurt very little. Some really don't hurt at all.

Lilly had to have a shot. She closed her eyes, stuck out her arm. The doctor worked quickly and talked hard and fast; after a bit Lilly said:

"Please hurry doctor and get it over."

"Why, child," said the doctor, "You had that shot long ago."

"I did?" said the child in amazement. "I didn't feel it at all."

This happens often.

Nevertheless children dread shots.

When a child knows he is going to get a shot he is apprehensive until it is over, then he can relax and enjoy the rest of the visit to the doctor's office. If a child has to wait a little while before his turn to see the doctor, it's often a good idea for the doctor to bring the child into a side room, give him the shot quickly, let him go back and play until his turn to be examined comes up.

BE HONEST

Much as children dislike shots its necessary to be honest with them about it.

Mrs. Traymore promised Ted that the doctor wouldn't give him a shot today. Ted came happily into the examining room. Mrs. Traymore knew the child was due for a shot, in fact she had made the appointment for that very purpose. She simply lied to her child because it was the easiest thing to do at the moment.

It's impossible for a doctor to build up confidence in a child when the basis of trust is destroyed by direct lies. Not only was Ted full of resentment against the doctor but also against his mother.

Occasionally one runs into a parent who uses the doctor as a threat over a child to make him behave.

"If you don't eat those vegetables, I'll take you right down to the doctor and he'll give you a shot."

This is the modern version of the old bogey man. The great difference being that the doctor is a real person who is trying his best to establish a friendly confident relationship with the child.

MAKE IT FUN

Try to make your visits to the doctor pleasant occasions. Explain to the child what is going to happen. You do not have to dwell on the unpleasant parts but don't lie about them. Many visits to the doctor have no disagreeable aspects at all. Most children enjoy being weighed and measured and examined. It's fun to have your eyes and ears looked at and to read the eye chart. Try to go to the doctor when your child is not ill. The better your doctor knows you and your child the more he can help you keep your youngster in the best possible health and the better able he is to treat your child when he is sick. A friendly relation between doctor and child is a great help to every one.

New Date Set For Focus Show

A new date, Sept. 22, has been announced for the fashion luncheon at Rickey's Rancho Rafael at which the Women's Auxiliary of San Rafael General Hospital will take part.

Making the announcement was Mrs. Lawrence P. McNear, president of the Auxiliary. The new date is a week later than the original.

Chairman of the Auxiliary's part in the fashion show and luncheon is Mrs. C. Bruce Greene, who also held this position when the San Rafael Improvement Club was honored last spring at the weekly affair at Rickey's.

Mrs. Greene is now handing out modeling assignments and supervising other plans for the Sept. 22 party.

The event will be within a few days of the 54th anniversary of San Rafael General Hospital, Sept. 16. To observe this anniversary, the parade of fashions will include several costumes from the 1905 era as well as the latest fall 1959 models.

Profits from the event will augment the Auxiliary's fund for redecorating the main waiting room at the hospital. The fund was started with a $100 donation from the Improvement Club following a fashion lunch last spring at which Auxiliary members assisted.

Richard Ensigns Are Welcoming A Son

Word has come from Canton, Kans. of the birth of the first son of the Richard Glenn Ensigns. The baby, born on July 30, has been named Thomas Richard. He has a 14 months old sister, Bonnie.

The mother of the baby, the former Mary Ginder, is the daughter of Mr. and Mrs. P. L. Ginder of Canton. The baby's father, who was born in San Rafael, was graduated from San Rafael High School and College of Marin. He is the son of the Glenn Ensigns of San Rafael, who visited their son and daughter-in-law the latter part of June and the first part of July. The young father is doing air conditioning work in a large oil refinery in McPherson, Kans.

Marin Women

Hair Dyeing Practiced In 3,200 B. C.

CAIRO (AP)—Women will be women, now or 5,000 years ago.

It appears that Egyptian women as far back as 3,200 B.C. were old hands at the art of hair dying.

Remains of mummies recently discovered in a tomb in nearby Helwan had golden hair while others had fiery red hair. Since genuine Egyptian blondes and redheads are a rarity today, the chances are these ladies of ancient Egypt were no strangers to the tricks of hair dying.

Ancient Egyptian women also seem to have been experts on all kinds of cosmetics, particularly eye shades, or what is known here as kohl. Pots of black, green, grey and brown kohl were discovered in the Helwan tomb.

Numerous vases were also found in the tomb containing several kinds of perfume and cosmetics. Analysis showed the cosmetics were mainly composed of fatty material mixed with red oxide of iron and ground limestone.

This composition apparently gave the face a rosy color due to the presence of the red oxide of iron, and the fatty substance contributed to a glowing complexion.

In the same tomb a copper mirror was found with a wooden handle. When well polished, the copper apparently gave a very good reflection, and these mirrors were much superior to any used by the ancient beauties of Rome.

Ancient Egyptian women were also sticklers for jewelry. There were many varieties of necklaces but a popular design was several rows of small cylindrical beads covering almost the whole upper part of the bosom. Each row of beads was a different color. Also popular was semi-precious stones. An average ancient Egyptian lady apparently had as many as seven necklaces and nine bracelets.

The Egyptian ladies of 5,000 years ago wore long robes reaching to the feet. The upper part of the robes varied in design. Some had sleeves while others were attached at one shoulder, in most cases the left by a ribbon. The shoulder knot does not differ from the bow knots we make today.

Dessert Card Party

A dessert card party will be given by Sequoia Court, Order of the Amaranth, on Wednesday, Aug. 19, at the home of Mrs. Jeff Zander, 7 M'liss Lane, Bret Harte Heights, commencing at 12 m. Reservations may be made with Mrs. Zander or Mrs. William Mix of Corte Madera.

Fairfax Newcomer

Fairfax city councilman, William L. Hughes, and his wife are receiving congratulations on the birth of a son. The little one, born on July 30, at Marin General Hospital, is Samuel Miguel Hughes. He has a 15-year old sister, Shirley.

Varied Entertainment Set For 'Capers' On Saturday

Delightful entertainment has been arranged for Saturday night's Moonlight Capers at the San Rafael home of Mr. and Mrs. Russell C. Westover. A fashion show will be staged around the pool with Arthur F. Edwards the commentator.

Both Camilla Romo Wolfe and her husband, John M. Wolfe, will contribute their talents to the event which will benefit Ross Valley Branch of the Needlework Guild of America. Lovely Camilla, who has had a professional career on radio, television and in the theater, will sing in costume. Her husband, who plays his own guitar accompaniment, will sing several songs, including one of his own compositions "Marvelous Marin." He wrote it soon after he and his wife came here to reside.

In costume, Marjory Widman and Hector Rangel, will do Spanish dancing and then Marjory will have her husband, John Widman, as her partner in a group of Bavarian dances. The party will begin at 6 o'clock and a buffet supper will be served. On the ticket committee are Mesdames Gus Niederholzer, John Merryman, Alfred Smith, John Kirkpatrick, Benedict Giusto and David S. Adams.

Mrs. Ralph Boyer, general chairman of the event, has on her committee Mrs. Milton Tonini, president of Ross Branch, and her husband, Dr. and Mrs. John Kirkpatrick, Dr. and Mrs. L. J. Giubbini, Messrs. and Mesdames Niederholzer, Allen Leslie Rowland, Joseph Rossi, William H. Price, Glen R. Gall, Hilton Swensen, Herman H. Mangels, Thomas P. Cusick, David S. Adams, Carl Riznik, Marius Righetti, A. S. Giesecke, Russell Wolcott, Mesdames Benjamin H. Dibblee and Arthur C. Walters.

Grand Champion Sandwich Recipe Includes Eggs

NEW YORK (UPI)—Here's the recipe for the grand champion sandwich of 1959:

Sieve yolks of 6 hard-cooked eggs. Stir in 1 tablespoon of prepared mustard and 2 teaspoons of dairy sour cream. Spread this on 8 bread slices and sandwich them together, spread sides facing, with 2 slices of baked or boiled ham between.

Make a second sandwich with a filling of ¾ cup of mashed avocado (about 1 medium avocado) blended with 1 teaspoon of French dressing and ¼ teaspoon of salt.

Spread tops of ham sandwiches with 6 ounces of softened cream cheese blended with 4 teaspoons of dairy sour cream and ¼ cup of finely chopped chives. Press an avocado sandwich on each ham sandwich, cut them diagonally in halves and garnish with ripe olives and watercress. Serves 4.

Parents Pose Problems For Today's Young Modern Set

"My parents are going to Europe for a couple of months, and I am staying home," writes a 17-year-old boy. "They have given me permission to have mixed parties while they are away. My steady girl says she will not visit my house while my parents are away. She thinks my parents are out of order and says her parents would be shocked at the idea. I told her my parents had confidence in me, and that she should see it that way. Don't you think she is showing a lack of trust in me?"

The question is not that your parents have confidence in you, and that therefore the girl should, but rather that the other parents do not have confidence in you perhaps, in a situation such as you suggest. Therefore, the girl has reasonable doubts. Even in this day of relaxed discipline, it is considered bad taste for a girl to be alone with a boy in such a situation though others of her age are present. Perhaps she and her parents could be appeased by the presence of a chaperon, and if you object to that, they are justified in their criticism.

"My father is a college professor, I attend the school where he teaches and we live near the university. I have an attractive boyfriend, although I am overweight and not very pretty. We have a hobby of photography. This boy was in one of my father's classes last year, and my father did give him some special attention. I have not heard from him since school was out, and my girl friend says he was only interested in my father's tutoring, and that I will not hear from him until next fall, if then."

I would not worry about what your friend thinks. Your guess is as good as hers in this case, and she is being very unkind to make such comments. If the boy does communicate with you, don't remind him of the lapse. It could be that this boy does consider you a good friend, and has no serious intentions.

FORMAL DANCE

"My parents have invited my boy friend to a dance at a club. My father says the boy should wear formal clothes. The boy says he does not have a tuxedo, and will not borrow one as he prefers to wear a dark suit. I am wearing a formal evening gown. Should I try to persuade my father to agree that my date would be properly attired in the dark suit?" That's a letter from a 16-year-old girl.

As a member of a club, your father is committed to observing the rules, so if he suggests formal attire, it must be the order for that evening. If the boy stubbornly refused to go along with the idea, you should get another date. Discuss the situation with your father, however. Many clubs are not strict about such matters, and your father may have mentioned formal attire without considering the young man's wardrobe. Some young men have a definite dislike of formal clothes being foisted on them, and often it is bashfulness that keeps them from climbing into those duds. Once he has been seasoned, the social bit comes easier to a young fellow.

Tea Honors Leaders Of Troop 75

A recent tea at the home of Mrs. Woodrow Wilson in San Anselmo honored the leaders of Girl Scout Troop No. 75. Guests of honor were Mrs. John La Boyteaux, who has been a leader for the troop since their inception as a Brownie Troop; Mrs. Henry Kruger, who also was leader for several years, and present leader Mrs. John Gue.

Gifts were presented to them in recognition of their fine service to the girls and refreshments were served from a flower decorated table.

Mothers present who were the hostesses were Mesdames John Egisti Wilson, Thomas Snead, Elvin Lindelli, Leon Kowalski, Walter Brown, Kruger, Gue and La Boyteaux.

Girl Scouts present were Sally La Boyteaux, Martha Kruger, Susan Egisti, Maureen Lindelli, Nell Kowalski, Linda Gue, Linda Wilson, Carmela Snead, Marita Brown.

Also present were Mrs. Cyril Denning and daughter Joene, who formerly was a Girl Scout and were visiting here from Washington.

Campus Footwear This Year Will Display Boot Influence

High fashion shoes for the high school crowd will rise higher and higher this fall — high vamps, high cuffs and high colors. Only heels will remain low in teen shoe styles.

The autumn '59-winter '60 campus styles were previewed at Leather Industries of America in a show that featured value-priced brushed, sueded, smooth and grained leathers in a collection of casual, dress and school shoes that will twinkle on the graceful feet of American's teens — who buy more shoes than anybody.

Campus footwear this year proudly displays the boot influence. Top honors have been corraled by tapered toe cuffed boots wihch sometimes stop at the ankles but often ride higher. Turned over cuffs display contrasting leather linings. Pull-on styles and elasticized side lacings vie with center ties in popularity. These boots are styled for fun and frolic, not for sleet and rain.

The high vamp isn't limited to the boot. It can be found this year on the all-leather oxford, the perennial school shoe, as well as on dress-and-date shoes. One new dress-up patent leather pump has a big, perky ribbon half-way up the high throat. A high-tongued slip-one with pointed toe and nailhead detail on vamp and tongue is another unusual new treatment.

The trim saddle oxford on its slim, flexible leather sole, has been restyled in two ways this year — the saddle has been elongated and swept to the heel and ties have become more important.

In some shoes, the three-eyelet tie has been converted into a five-and six-eyelet model running down to the toe. In others, the ghillie, elastic laces and tassle tie stand out. Contrasting smooth, grained and brushed leathers continue strong in saddle shoes.

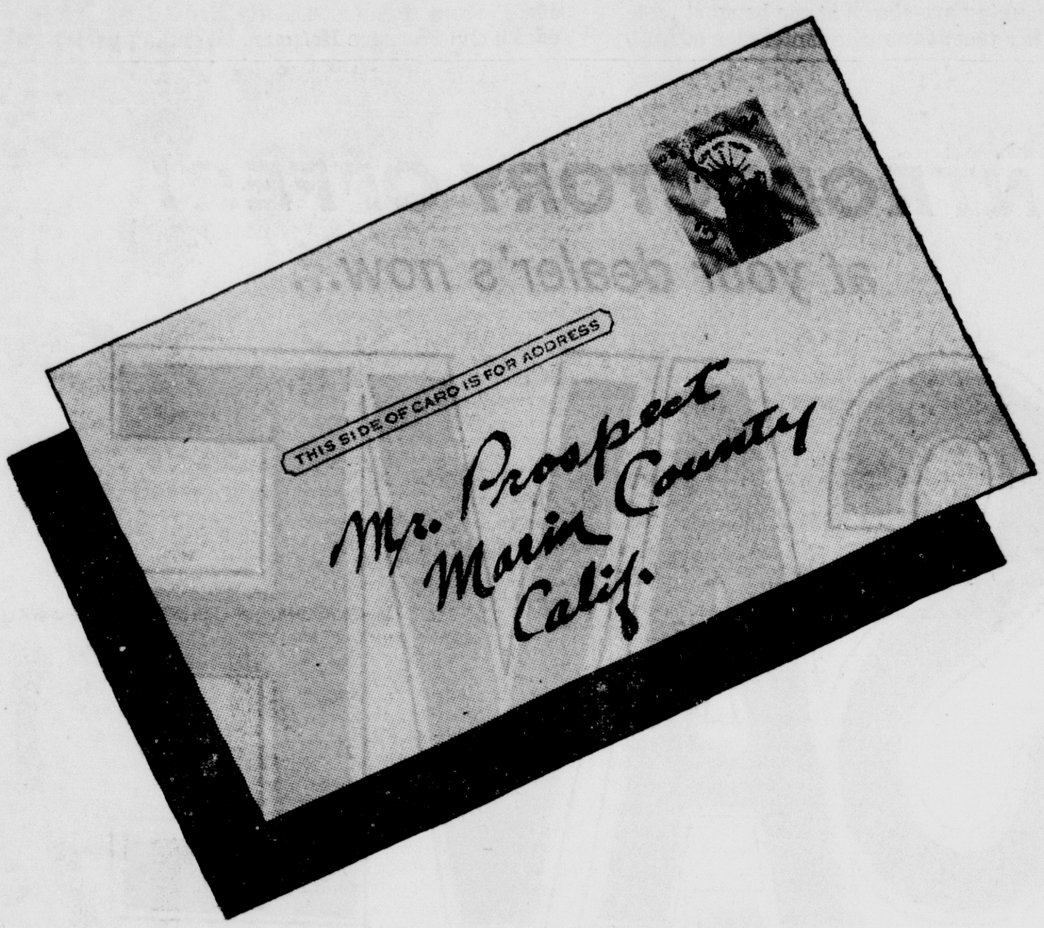
QUIZ FOR ADVERTISERS



Q. **What is the most effective and economical way to present a selling message to 25,000 Marin families? CHECK ONE.**

1. POSTAL CARD . . . 2. LETTER . . . 3. ADVERTISING FOLDER . . . 4. AN I-J ADVERTISEMENT . . .

A. **An I-J Advertisement, by a tremendous margin.**

ANALYSIS

Postal Card. We used to call it a "penny postal." That's when you could buy them at any post office for one cent each. Today a government postal costs 3c—$750 for postage alone to send a short message to 25,000 names. Engravings, printing, addressing, compiling or buying a mailing list, delivery to the postoffice, other expenses, could easily double (or triple) that figure, depending on how elaborate you make your 3c mailing card.

A Letter. This costs even more—$1,000 for postage alone if you send it first-class. Individually typed letters would, of course, be prohibitive in cost; the expense of a form letter would include costs of the paper, mimeographing or printing, filling in names if desired, envelopes, addressing, enclosing, handling expense, in addition to postage. Ten cents per name would be a low estimate. That's $2,500.

Advertising Folder. Your message, adequately presented in type and pictures, could hardly cost less than a letter — say, $2,500 — and could run to almost any amount, depending on size, colors used, etc.

An I-J Advertisement. For $750—the cost of 25,000 Postal Cards—you can present your selling message in the Independent-Journal more than 37 times, in a space (2 columns by 10 inches) larger than a postcard! No expense for mailing list, addressing, printing . . . not even for engravings, if you use the I-J's free mat service.

Or you could run TWO full page ads in the I-J for $750, giving your message tremendous impact and selling power . . . and still have nearly $100 left in your advertising kitty.

You could even have an EXTRA COLOR in one of your page ads, and still keep within your $750 budget.

CONCLUSION: To cover Marin, with your message delivered on the doorsteps of 5 out of 7 homes (an estimated audience of close to 100,000), ADVERTISE IN THE DAILY I-J!

Novato Plant To Process HAFB Sewage

A contract calling for the Novato Sanitary District to process sewage from 330 of the 550 Capehart housing units at Hamilton Air Force Base was approved Monday night by directors and signed by Louis Schnarr, contracting officer for the 78th fighter wing at Hamilton.

The contract provides for an initial connection charge of $36,980 to be paid by the Air Force, with an annual service charge of $5,315.

Directors authorized a call for bids on a 30-inch diameter sewer main to run from the main Novato treatment plant across Highway 101 to serve most of the valley area of Novato. Bids will be opened at 8:15 p. m. on Sept. 14.

A fiscal report showed the district's income was $7,313 greater than expenditures during the fiscal year 1958-59.

Horse Roundup Bill Approved

WASHINGTON (UPI) — The House Judiciary Committee approved without amendment yesterday a bill to prohibit mechanized roundups of wild horses on public lands.

The vote, taken in executive session, was another victory for "Wild Horse Annie," Mrs. Velma B. Johnston of Wadsworth, Nev.

Mrs. Johnston, who was instrumental in getting a similar measure through the Nevada Legislature, has been conducting an intensive campaign for federal legislation to stop what she calls "inhumane" rustling of so-called wild "mustangs."

School Has Changed

RICHMOND, Va. (UP) — Dean Edward F. Overton of the University of Richmond says the concept of summer school has undergone a great change. Once it was considered remedial work for academic deficiencies but summer school now is filled with young people in a hurry to graduate.

Marinite Keeps Post In Legion

Maj. William E. Wagner of Corte Madera, member of Twin Cities Post 313, American Legion, has been reappointed chairman of the American Legion Hospital and Patients Welfare Commission for California, it was announced today.

The appointment was by department commander Steve Foote.

Edwin L. Olmstead, also a member of the Twin Cities Post of Larkspur and Corte Madera, was appointed to serve a three-year term on the commission.

THE PARENTS' CORNER

Don't Try 'Educating' Teen-Agers To Handle Cocktails—Dangerous

"I want my girls to know how to handle their liquor," a mother writes. They're twins, aged 13. When they're 14 I'll start giving them cocktails. They'll learn their capacities. Then they won't make fools of themselves at parties where drinks are served. Do you think this is a wise plan?"

No, I believe your plan is not wise. Let me tell you about three teen-agers whose parents did what you plan to do.

Bob was 16. His parents taught him to drink. One evening he snitched an extra drink when they weren't looking. He got into his car to go to his girl's house. He misjudged a curve. Bob crashed, and died. He'd be alive this minute if he hadn't been drinking, drinking with his parents.

Originally Suzy was afraid of alcohol. Her teachers had told her drinking was wrong. But her mother started giving her cocktails, just as you plan to do. Suzy's personal rule against alcohol was broken. At the next party Suzy got drunk. Her boy friend took advantage of her. Suzy will be a mother soon. She's 15.

Dave is in a state reformary now. He is 17. He is a tense, quiet, nervous boy. His father is a back-slapping salesman. He tried to "make a man" out of his quiet son via bourbon and branch water. Dave got drunk, and went on the prowl. He met a smaller boy he didn't like. He beat the boy up. Beat him so hard he almost died. The judge sent Dave to the reform school. He blamed Dave. I think the father was more to blame. Don't you?

Teen-agers and alcohol are a dangerous combination. Teen-agers don't need stimulants to have fun. Their judgment is bad enough without liquor. The only safe plan is to teach your girls not to drink. Children should be teetotalers.

READERS' FORUM

(Q) "Our 5-year-old daughter and her friends play 'having a baby.' They rush to an imaginary hospital. They pretend to go through the ordeal of childbirth. They've heard me talk about it. Why do they do this?"

MRS. B. L.

(A) One way or another nearly all little girls play at having a baby. Your girl may be more realistic because you've been franker with her than most mothers.

ALMANAC

Today is Wednesday, Aug. 12, the 224th day of the year, with 141 more days in 1959.

The moon is approaching its full phase.

The morning star is Mercury.

The evening stars are Mars, Jupiter, Saturn, and Venus.

On this date in history:

In 1658, a "rattle watch" of eight men was established in the colony of New Amsterdam, the first police force in America.

In 1851, Isaac Singer was granted a patent on his sewing machine and began his business in Boston with a capital of $40.

In 1877, Thomas Edison worked out the principle of the "talking machine" and turned over a crude model of the phonograph to be manufactured for demonstration.

In 1898, the peace protocol ending the Spanish-American war was signed after hostilities with Spain that lasted less than four months and resulted in the annexation of Hawaii to the United States.

In 1947, a violent controversy in the United States erupted over the "new look" for women, which featured unusually full dresses reaching nearly to the ankles.

A thought for today: Thomas Edison said: "Genius is 1 per cent inspiration and 99 per cent perspiration."

HE HAS COUNTER-THREAT

McCarthy Hits Plan For Redistricting

If Los Angeles goes ahead with its threat to place an initiative on the ballot redistricting the state Senate to the Southland's advantage, Sen. John F. McCarthy of Marin will organize Northern California to defeat the proposed state water bond issue.

That's what the San Rafael senator told San Rafael Chamber of Commerce directors yesterday. Speaking informally at a luncheon meeting, McCarthy said the water compromise was reached to give Southern California a share of the north's water. Now the south, which controls the Assembly, wants also to control the Senate.

The senator said he had told the governor that Los Angeles was acting irresponsibly in trying to divide the Senate so that 20 senators would be above and 20 below the Tehachapi Mountains. Under the South's plan, he said, Marin, Sonoma and Contra Costa, with a population of nearly 700,000, would have but one senator among them, while San Luis Obispo County, with about 70,000 population, also would have one senator.

The governor has since come out against the reapportionment, McCarthy said, and "it may be a dead issue."

He said the Metropolitan Water District of Los Angeles would "make a bad mistake" if it fought the $1,750,000,000 bond issue scheduled for the 1960 ballot. He called it a compromise which would get water to the Southland by the time they needed it and also would assure Marin of a future water supply. He noted that if the whole bond issue were to be sold at one time it "would bankrupt the state," but assured his listeners this was not the intention of the legislation.

On other topics McCarthy had these things to say:

TRANSPORTATION — Marin should stop talking of constructing a "Tiburon Bridge" and should start talking about building a complete new highway system. "We will need and must have another Highway 101," he said. He predicted Marin would have a 300,000 population in seven years and hoped that a new highway system would work in with rapid transit.

A bridge across to San Francisco should be worked out in conjunction with both San Francisco and Marin residents, he said, suggesting that the Ft. Mason area might be the most logical place where it would least interfere with residences in San Francisco.

TAXES — Improved business and a 14-million-dollar surplus in the state treasury at the end of the fiscal year prove that Gov. Edmund G. Brown's tax increases were not needed.

NORTH BAY STATE COLLEGE — With the resignation of State Finance Director Bert W. Levit, Marin must start all over again "in selling the new director on advantages of the Novato site."

Paul R. Leahy, chamber president, presided at the meeting in the chamber office's.

The directors agreed to write Rep. Clement W. Miller deploring the removal of 451 personnel from Hamilton Air Force Base if they were merely being transferred to another base, but encouraging reorganization within the armed services to make them more efficient and less of a burden on the taxpayers.

Wife Takes Blame In Fuss

The case of Arthur S. Clarkson, 44, Mill Valley salesman charged with striking his wife and cutting her arm during an argument, has been continued in Marin Municipal Court for 90 days.

The action was taken yesterday by Judge Harold J. Haley on recommendation of Deputy Dist. Atty. Bruce Bales. Clarkson will be under "informal probation." Bales told the court that if there is no more trouble he will recommend that charges be dismissed at the end of three months.

Bales said Mrs. Clarkson wrote a letter to the district attorney's office saying that the argument was her fault, and that she ran into a knife as her husband was preparing a snack.

Octopus Hunted In Lake Millerton, Without Success

FRESNO (AP)—Is there an octopus in Lake Millerton?

Supt. Darryl Knoffler of Millerton Lake State Park yesterday investigated the waters behind Friant Dam, 20 miles north-east of Fresno, after two families reported seeing a monster resembling an octopus. He said he found nothing.

Knoffler said the families said they saw the beast along the shoreline in the water two days ago. The bow of their boat touched the thing, they said. They watched it submerge into the depths. They reported its head was roughly two feet across.

Firemen Invite 700 To Dance

Seven hundred invitations to the Belvedere firemen's annual ball were received this week by residents in the community, according to dance chairman Ronald Simpson.

The event will be held Aug. 21 from 10 p. m. to 2 a. m. at the Corinthian Yacht Club. A midnight buffet supper will be served.

Proceeds will be used for maintenance of equipment in the firemen's quarters in the firehouse, Simpson said. The money is also used for the annual men's beer bust and children's root beer bust.

Reservations may be made with Simpson at 191 Beach road.

The Independent-Journal Has an Opening for a Classified Advertising Telephone Salesgirl

We are only interested in the highest type people who can serve the best interest of our customers.
Advertising work is permanent and interesting if you are the type of person suitable for it.
In order to succeed in advertising you should still be young enough to learn a new profession. (That usually means under 40.) You should have at least high school education and experience in dealing with the public. Good health is essential because even temporary absenteeism plays havoc with an advertising career. You should be the type of person who likes people, a fluent clear talker, friendly, interested and interesting . . . Yes there ARE such people. We have them right here in our office!
Good spelling, pleasant telephone voice and typing are MUSTS! 40 hour, 5 day week includes Saturday. A car is necessary.
Paid vacations, COMPANY PAID HEALTH PLAN and excellent working conditions make the Independent - Journal a pleasant place to work.
If you are interested in a career opportunity and "on the job training" for a new field apply by LETTER for interview to the Classified Advertising Manager, Independent - Journal 1040 B st. stating employment, history, age, salary requirements etc.

WOMAN WILLS HER FORTUNE TO UNCLE SAM

SAN FRANCISCO (AP) — A check for $7,997.18, willed to the government by Mrs. Anna F. Krinsk of Brisbane has been sent to Washington, D.C., Asst. U.S. Atty. Richard L. Carico said yesterday.

Carico said Mrs. Krinsk's will, dated June 30, 1957, left all her property "to my Uncle Sam of America who has helped me to adopt me.

"I was so happy to live in America I gratitude to only Uncle Sam and he will know what to do with my property."

Covered bridges are still being built in New England.

Firemen To Elect

The Belvedere Volunteer Firemen's Assn. will elect officers tonight at 8 o'clock in the Belvedere Firehouse, according to president Stanley V. Dick.

Service expenditures—what the consumer spends on housing, household utilities, medical care, public transportation and recreation—went from 31 per cent of the average American's bills in 1947 to 37 per cent in 1957. About two-fifths of the increase reflected higher prices.

Marvelous Marin is composed of a variety of things. Marinites, through their desire for the different, the comfortable and the beautiful have set the pattern for a distinctive mode of home living activity. The homes, tastefully decorated and furnished, landscaped to provide outdoor living according to each individual desire gives us our variety. Dozens of separate elements such as interior decorating, kitchen and utility room planning, lighting, flooring, painting, papering, plumbing, wiring, roofing, tiling, masonry, landscaping, heating, cement work, insulation, weatherstripping combine to make a home.

All of them, the different homes, future developments, the old and the new will be in the Sept. 11 Homes Edition at the beginning of National Home Week. As in past years we will have an edition that will be outstanding. We think the reason for this is because we have tried to portray, in the most graphic and vivid way possible, in news and advertising, the exciting variety of home living made possible here by the ability and imagination of our builders.

We have had so many requests for extra copies of previous issues that we are offering early reservations so that you will have them to send to friends and relatives. Use the coupon blank below to order your extra copies.

AN AFFECTIONATE REUNION

Mrs. Dorothy Hudson, 35, of Anchorage, Alaska, receives an affectionate greeting from her cocker spaniel, Wahine, after retrieving the lost dog from a sewer culvert in Chicago. Mrs. Hudson interrupted her vacation in Miami, Fla., to go to Chicago to search for the dog after it escaped from a shipping crate at Midway Airport. Brune Stahlbusch, 14, of Elk Mound, Wis., vacationing, spotted the dog in the culvert. The boy received $50 reward from Mrs. Hudson. (AP Wirephoto)

Rails Dropping Unprofitable Trains Fast

WASHINGTON (UPI)—The nation's railroads are dropping unprofitable passenger trains as fast as they can.

An Interstate Commerce Commission survey shows that the railroads have discontinued 41 passenger trains since an administrative short cut was approved by Congress one year ago.

In addition, the lines have started proceedings to eliminate 60 more interstate passenger runs and 40 intrastate trains.

The ICC also gave railroads permission to abandon 4,664 miles of track from 1954 to the start of this year.

The trend appeared to bear out a warning by ICC Examiner Howard Hosmer that inter-city passenger train service would be dead by 1970 if railroads continued their current practices.

The flood of discontinued trains followed approval of the 1958 Transportation Act which eliminated the previous regulatory red tape surrounding route abandonment.

Under the act, a railroad must give 30-day notice of plans to abandon passenger trains. The ICC then has 20 days to block the proposal by suspending the discontinuance for four months pending an investigation.

Previously, proposals to abandon passenger train service were handled by less sympathetic state regulatory commissions. Now, if a state commission fails to act or denies a discontinuance, the railroad is free to petition the ICC.

IMPROVE INCENTIVE?

Workshop To Debate Teacher Merit Pay

FRESNO (AP)—Will extra dollars dangled before a teacher make him a better teacher?

Yes, say supporters of a merit pay system for teachers. The plan would be to pay teachers on the basis of efficiency to teach, instead of the present system of fixed salaries based on experience and training.

The pro's and con's of a merit pay plan will be the theme of a two-week workshop at Fresno State College beginning Aug. 17.

Dr. Orin Wardle, the college's executive dean, says the workshop will be mostly attended by California educators and school board members representing many districts.

Dr. Wardle said the question of a merit plan has interested educators for years, but it was not until after World War II that it has skyrocketed.

Supporters of the plan argue it would provide an added incentive to teachers to improve their techniques and thereby lift the quality of education.

Opponents, mostly professionals in the educational field, say such a system would tend to destroy teacher morale and there is no proven way to determine an individual teacher's performance.

Three large educational organizations have gone on record opposing merit pay on the basis teacher ratings could not be completely objective. They are the California Teachers Assn., the American Federation of Teachers, and the National Education Assn.

Of interest to both schools of though will be a report at Fresno by Gale Rose on merit rating problems. Rose is the executive director of the Utah school merit study. That state has been engaged in a three-year study of merit pay plans.

Dr. Wardle says a number of school districts across the nation have successfully introduced and tested merit pay plans for their teachers. The majority of these, he says, are in the East and Middle West. He says such plans appear to have better success in small communities because of closer teacher-community relationships.

"It really boils down to this," says Dr. Wardle, "is the extra dollar in a teacher's pay envelope the way to spark incentive? Will it give that extra push where training and experience has left off?"

Exotic Thistle Proves Successful Cash Crop

DAVIS (UPI)—California farmers, looking for new crops to plant on restricted land, have taken a thistle from the Arabian nights and turned it into a commercially successful oil seed crop.

This exotic touch to the state's agriculture has been added by the safflower, a plant that closely resembles the yellow star thistle, but which produces an oil that is increasingly valuable in paints and varnishes. It has quadrupled from a total acreage in 1950 of less than 25,000 to about 100,000 acres in 1959.

The big increase in a crop that was practically unknown here a decade ago is largely due to the research and experiments of a few men such as agronomy expert Dr. Paul F. Knowles of the University of California's College of Agriculture at Davis.

Knowles has traveled as far as India, Israel, and Turkey in his search for ways to improve safflower so that it can compete commercially with such other oil crops as soybeans, castorbeans, flax and sunflower.

The safflower is a thistle with a flower ranging in color from red and orange to yellow and white. Its coarse, spiny stems reach a height of from two to six feet, depending on the variety. Each head produces between 20 and 100 white seeds, which have an oil content of 34 per cent.

Safflower has been cultivated for centuries. In the days of Ali Baba its dried flower competed with indigo as a dye for cloth and foods. Knowles found that this is still its major use in many of the countries he visited.

Only in the last 100 years has safflower been grown for its oil. India leads other nations with an annual growth of a million acres. Unlike the United States, Knowles said, most Near Eastern countries use safflower oil as an edible rather than an industrial commodity.

Safflower production moved to California in the early 1950s from the Midwest and is now nationally centered in California's Sacramento Valley.

The crop got its commercial start when farmers were looking for something they could grow on lands that were restricted to other than price-supported crops. It now gains much of its popularity as a crop that can follow rice, beans and other crops that require much irrigation, and thus leave a high water table in the soil.

Only 5 per cent of California's safflower is irrigated because of its great susceptibility to root rot, a disease which thrives in water.

Knowles hopes to increase safflower yields even more than the present highs of up to 4,000 pounds of seed per acre. When the crop was first grown in California, yields averaged only 667 pounds of seed, and the average has doubled in years.

Safflower oil has proved valuable in paints and varnishes. It has an advantage over the widely used linseed oil in that it doesn't yellow with age.

70-75 MILLION ACRES

California Indians Entitled To Land Compensation

WASHINGTON (AP)—The Indian Claims Commission has ruled California Indians are entitled to compensation for 70 to 75 million acres of land in the state. This is about three-fourth of the state.

The exact amount of land taken from the Indians by the government in 1851 and the value of the land at that time will be determined in a later proceeding before the commission.

In an order dater July 31, the commission ruled that about 37,000 individual Indians enrolled as Indians of California have proved their claim to original ownership of all of the land area of California except areas claimed in other proceedings by specific Indian tribes.

Excluded also from liability for compensation are lands granted to private ownership by the Spanish and Mexican governments prior to the acquisition of California by the United States in the treaty of Guadalupe Hidalgo of 1848, and 783,000 acres established by the United States government for Indian reservations.

The commission said the original Indian ownership was extinguished by the government by the act of March 3, 1851, which added to the public domain all lands of California not covered by grants.

The opinion said there once were about 500 Indian tribes in California, with Indians residing mostly in settlements but branching out from those settlements to work less productive areas.

The commission said the influx of white people following the acquisition of California from Mexico disrupted and destroyed the Indian communities, with many Indians being killed and the remainder being scattered through the state.

Indians of California are defined by act of Congress as all Indians who were residing in California on June 1, 1852, and their descendants.

Commission Chairman Edgar E. Witt said the area determined to have originally belonged to Indians of California is estimated to total 70 million to 75 million of the 101,563,520 acres is California.
